St. Louis, Missouri May 2002

l		REBUTTAL TESTIMONY		
2		OF		
3		JAMES E. DEVERS		
4		ON BEHALF OF		
5		AMERENUE		
6		CASE NO. EC-2002-112		
7	Q.	Please state your name and business address.		
8	A.	My name is James E. Devers. I work for AmerenUE at 1901 Chouteau Avenue,		
9	St. Louis, Missouri 63103.			
10	Q.	Please state your occupation and by whom you are employed.		
11	A.	I am employed as a troubleman by AmerenUE.		
12	Q.	Please summarize your work experience and current duties and		
13	responsibilities for AmerenUE.			
14	A.	I have worked for AmerenUE for ten years. I worked as a journeyman lineman		
15	for about three years and then began working on a trouble crew.			
16	Q.	On whose behalf are you appearing in this proceeding?		
17	A.	AmerenUE.		
18	Q.	What is the purpose of your Rebuttal Testimony in this proceeding?		
19	A.	My testimony concerns my disconnection of electric service to Sterling's Market		
20	on April 10, 2001.			
21	Q.	What was your position with AmerenUE in the spring of 2001?		
22	A.	Troubleman.		

1	Q.	What were your duties at that time?	
2	A.	A troubleman generally does troubleshooting. We handle all kinds of problems	
3	with electric service, including wires down and lights out. We basically do what we can to help		
4	get customers' lights back on. I also do disconnects and reconnects.		
5	Q.	Are you familiar with the grocery store which was located in the spring of	
6	2001 at 8350 North Broadway in the City of St. Louis and known as Sterling's Market?		
7	A.	Yes.	
8	Q.	How are you familiar with Sterling's Market?	
9	A.	I knew the store from the fact that I worked in the area and I disconnected service	
10	at the store in April 2001.		
11	Q.	How did it happen that you went to Sterling's Market on April 10 to	
12	disconnect electric service?		
13	A.	I received a work order to go to the store for that reason.	
14	Q.	What time did you arrive at the store?	
15	A.	I got to the store at about 9:00 a.m.	
16	Q.	Were any other AmerenUE employees with you?	
17	A.	No, I was alone.	
18	Q.	Please describe what you did when you arrived at the store.	
19	A.	I drove around the store looking for the meters. I found a three phase meter at the	
20	back of the store and proceeded to open the switches on the transformer to disconnect service.		
21	When I did, the hinge pin from the cutout switch fell to the ground.		
22	Q.	Was this a normal occurrence?	

No, the hinge pin had actually broken off the distribution switch.

23

A.

- Q. What did you do after the hinge pin fell?
- A. I finished de-energizing the transformer and then called the dispatcher to let him
- 3 know what had happened.
- 4 Q. What did you notify the dispatcher?
- A. I knew that service would likely be eventually restored to the store and I knew it
- 6 was necessary to have the hinge pin repaired before service could be reconnected. I was not able
- 7 to fix the switch.
- 8 Q. Did you ever go into the store that day?
- 9 A. No.
- 10 Q. Did you speak to anyone at the store that day?
- 11 A. Yes. While I was working on the transformer, a white man in his late 50's came
- out of the store and asked me what I was doing. When I told him I was there to disconnect
- service, he asked me why the service was being cut off. I told him I had an order to disconnect
- service for failure to pay the bills.
- 15 Q. How long after you arrived at the store in your truck did you leave the store?
- A. About 30 minutes.
- 17 Q. Did you make any attempt to reconnect service to the meter while you were
- 18 at the store?
- 19 A. No, I could not have reconnected service because of the broken hinge pin.
- Q. Were you present at the store when service was restored later that day?
- 21 A. No.
- Q. Had the hinge pin not broken, would you have been able to reconnect
- 23 service?

- I A. Yes, I could have reconnected service as quickly and easily as I had disconnected
- 2 the service.
- 3 Q. Does this conclude your rebuttal testimony?
- 4 A. Yes.
