

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Joint Application of)
The City of Hannibal, Missouri and)
Public Water Supply District No. 1 of) Case No. WO-2005-0127
Ralls County, Missouri for Approval of a)
Water Service Area Territorial Agreement.)

ADDENDUM TO WATER SERVICE TERRITORIAL AGREEMENT

COME NOW The City of Hannibal, Missouri (“Hannibal”) and Public Water Supply District No. 1 of Ralls County, Missouri (“Ralls”) (collectively “Joint Applicants”), by and through counsel, and pursuant to Paragraph 6 of the Water Service Area Territorial Agreement (“Territorial Agreement”) approved by the Commission on January 7, 2005 in the above-captioned case, respectfully state as follows:

1) On January 7, 2005 the Commission approved by *Report and Order* the Territorial Agreement submitted by the Joint Applicants.

2) Paragraph 6 of the Territorial Agreement provides:

“The parties may agree on a case-by-case basis by an Addendum hereto to allow a structure to receive service from one party although the structure is located in the service area of the other. Such Addendum referred to above shall be filed with the Executive Secretary of the Missouri Public Service Commission in the same manner as a motion or other pleading, with a copy submitted to the Office of the Public Counsel. Each Addendum shall consist of a notarized statement identifying the structure, the party to serve the structure and the justification for the Addendum and indicating that the parties support the Addendum. Each Addendum shall be accompanied by a notarized statement, signed by the customer to be served which acknowledges such customer’s receipt

of notice of the contemplated service to be provided and that the Addendum represents an exception to the territorial boundaries approved by the Public Service Commission and shall indicate the customer's consent to be served by the Party contemplated by the Addendum. If the Staff of the Public Service Commission or Office of the Public Counsel do not submit a pleading objecting to the Addendum within forty-five (45) days of the filing thereof, the Addendum shall be deemed approved by the aforesaid parties. However, if a pleading in opposition to the Addendum is filed by the above listed parties, the Commission shall schedule an evidentiary hearing at the earliest reasonable opportunity to determine whether the Addendum should be approved. Each Addendum shall contain a statement in bold uppercase typeface indicating that the Staff of Office of Public Counsel has forty-five (45) days to oppose the Addendum or else the Addendum shall be deemed approved by the aforesaid parties. Each party, pursuant to an executed Addendum, shall have the right to provide temporary service until the Commission approves or disapproves the Addendum. No party shall be required to remove any facilities installed pursuant to an Addendum until the effective date of an Order of the Commission or a court regarding the removal of same."

3) Pursuant to Paragraph 6 of the Territorial Agreement, **THE STAFF OF THE MISSOURI PUBLIC SERVICE COMMISSION OR OFFICE OF PUBLIC COUNSEL HAS FORTY-FIVE (45) DAYS TO OPPOSE THIS ADDENDUM OR ELSE THIS ADDENDUM SHALL BE DEEMED APPROVED BY THE AFORESAID PARTIES.**

4) Mr. Frank Waelder owns property located at 4664 West Ely Road, Hannibal, Missouri 63401. Under the Territorial Agreement, Mr. Waelder's property lies within the water service area of the City of Hannibal. Hannibal does not currently have water lines in place to serve said site. In order to receive water service from Hannibal, a new water line would have to be installed. Ralls, however, does have existing facilities in place nearby which can serve the site without the additional cost to Mr. Waelder.

5) Mr. Waelder has requested that Ralls provide service to said site and both Ralls and Hannibal have consented to Mr. Waelder's request and support the filing and Commission approval of this Addendum to the Territorial Agreement.

6) A notarized customer consent, executed by Mr. Waelder, is attached to this Addendum and incorporated herein.

7) Mr. Waelder, Ralls, and the City of Hannibal recognize that this Addendum represents an exception to the water service territorial boundaries approved by the Commission in Case No. WO-2005-0127, and that once effective, this Addendum will allow Ralls to continue to provide water service to aforementioned residence unless and until the Commission, upon proper petition, would authorize a change of water supplier in a subsequent proceeding brought for that purpose.

WHEREFORE, Joint Applicants The City of Hannibal, Missouri and Public Water Supply District No. 1 of Ralls County, Missouri respectfully request that this Addendum to the Water Service Territorial Agreement, approved by the Commission in Case No. WO-2005-0127, be approved.

Respectfully submitted,

/s/ Charles Brent Stewart
