RE: Water Utility Small Company Rate Increase Request
MO Case. No WR-2010-0304

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between Company_(Company) and the Commission Staff (Staff) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on April 30, 2010, under the provisions of the Commission's small company rate increase procedure.

Since the above-referenced Disposition Agreement is between the Company and the Staff, the enclosed tariff sheets bear an effective date that is at least 45 days from the issue date, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$344,163 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Neal Clevenger
President/General Manager
Raytown Water Company
