ORDER REGARDING JOINT STATUS REPORTS

Issue Date: April 3, 2012

Effective Date: April 3, 2012

On February 1, 2012, Virgin Mobile USA, L.P. branded Wireless Brought to You By Virgin Mobile (“Virgin Mobile”) requested designation by the Missouri Public Service Commission (“Commission”) as an eligible telecommunications carrier for the purpose of providing prepaid wireless services in Missouri supported by the federal Universal Service Fund’s Lifeline program. In its *Order Directing Notice, Directing Filing and Setting Intervention Deadline* issued on February 1, 2012, the Commission ordered a staff recommendation no later than April 2, 2012. On that date the Staff of the Commission filed a status report, stating that Staff is not yet able to prepare a recommendation because of unresolved issues with Virgin Mobile concerning the name under which it does business, creation of a compliant enrollment form, and approval of a compliance plan by the Federal Communications Commission. Since Staff is not able to provide a recommendation by the date previously ordered, the Commission will set a schedule for joint status reports.

THE COMMISSION ORDERS THAT:

1. Virgin Mobile and the Staff of the Missouri Public Service Commission shall file a joint monthly status report on the first business day of each month, until such time as this case is closed.

2. If the Commission's Staff has not filed a final recommendation for approval or disapproval of Virgin Mobile's application by August 3, 2012, then the Commission's Staff shall file a memorandum of explanation stating, with particularity, why it has not completed its investigation and why it is not providing the Commission with a recommendation.

3. This order shall become effective immediately upon issuance.
