ORDER APPROVING COMPLIANCE TARIFF

Issue Date: May 20, 2010

Effective Date: June 7, 2010

The Missouri Public Service Commission is approving the substitute tariff sheets ("substitute tariff") filed in compliance with the Commission's directive.

On April 21, 2010, the Commission granted Timber Creek Sewer Company ("Timber Creek") a certificate of convenience and necessity subject to conditions. In compliance with those conditions, Timber Creek filed tariff sheets on May 6, 2010, and filed the substitute tariff on May 19, 2010. On May 20, 2010, Staff filed its recommendation, with a supporting affidavit, in favor of approving the substitute tariff.

On review of the substitute tariff and Staff's verified recommendation, the Commission independently finds and concludes that the substitute tariff establishes safe and adequate service at just and reasonable rates, so the Commission will approve the substitute tariff.
