BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of GTE Communications)	<u>Case No. TO-2001-30</u>
Corporation's Name Change to Verizon)	Tariff No. 200100034
Select Services, Inc.)	

ORDER DIRECTING FILING

On July 12, 2000, GTE Communications Corporation (GTE) filed a Motion for Expedited Treatment with the Public Service Commission (Commission). The Motion stated that GTE will be operating under the new corporation name of Verizon Select Services, Inc., and that GTE had filed the information, adopting notices and revised tariff title sheets required under 4 CSR 240-2.060(16).

GTE requests that the Commission approve the tariff sheets such that they will become effective no later than July 31, 2000. GTE claims that failure to approve the adoption notices and tariff title sheets by July 31, 2000, will prevent GTE's August 1, 2000, name change from being effective in Missouri. GTE claims that the pleading was filed as soon as possible, given the "extraordinary internal resource commitment."

The Commission will direct the Staff of the Public Service Commission (Staff) to file, by July 20, 2000, a response to the Motion for Expedited Treatment or a recommendation advising the Commission on whether or not the name change by GTE should be recognized.

IT IS THEREFORE ORDERED:

1. That the Staff of the Public Service Commission shall file, by July 20, 2000, a response to the Motion for Expedited Treatment or a recommendation advising the Commission on whether or not GTE Communications Corporation's name change to Verizon Select Service, Inc., should be recognized.

2. That this order shall become effective on July 19, 2000, 2000.
