SUPPLEMENT TO APPLICATION

COMES NOW Snappy Phone of Texas, Inc. d/b/a Snappy Phone, a Texas corporation, by and through counsel, Hendren and Andrae, L.L.C., Richard S. Brownlee, III, and files this supplement to its application previously filed with the Missouri Public Service Commission on December 15, 1999 in order to clarify and supplement the same. In support thereof, Snappy Phone provides the following information:

1. Applicant states that considerations of the public interest and particularly equitable access for potential subscribers to service who reside in the area sought to be certificated warrant the granting of this application in that Applicant will extend the benefits of competition into the intrastate interexchange market, increase the diversity of choice and supply of telecommunications services and products in exchanges in which it will offer service and shall increase consumer access to competitive and affordable telecommunications services.

WHEREFORE, Applicant Snappy Phone, respectfully requests that the Public Service Commission of Missouri grant it a Certificate of Service which authorizes the Applicant to provide basic local exchange and interexchange telecommunications services within the

State of Missouri. In addition, Applicant requests classification as a competitive telecommunications company in the State. Finally, Applicant requests a waiver of the above-referenced rules and statutory provisions.

Respectfully submitted,
