Re: Case No. EX-2003-0489 and EX-2003-0368

Service Commission**

Dear Mr. Roberts:

PLEASE NOTE: Comments pertaining to HCSR240-3.190 were erroneously filed in Case NO. EX-2003-0368 by e-mail dated December 5, 2003. Please disregard those previously filed comments. The comments below pertain only to Case NO. EX-2003-0489.

We would like to express that we strongly object to the above-referenced rule on Incident Report Requirements for the following reasons:

1. It is not cost effective.
2. The reporting duplicates activities already performed by AMEC and its cooperatives.
3. The time requirements are unrealistic and will cause limited cooperative resources to be drawn away from repair and remedy and instead be devoted to meaningless reporting.
4. Information reported could be used in litigation against cooperatives.

Thank you for your interest in our comments.

Very truly yours,

Charles J. Crawford  
General Manager
