A PRIVATE
JACK NICKLAUS
WATERFRONT GOLF COURSE

HOLE 16 AT PORTO CIMA

CLUBHOUSE AT PORTO CIMA

Patterned after Portofina, a quaint coastal village of Italy, Four Seasons' Porto Cima is the premier private waterfront golf community in the Midwest. It features the only 18-hole Jack Nicklaus Signature Golf Course in Missouri and ultimate dream homes in an incomparable setting – bringing the relaxed Lake lifestyle you've always sought and a nationally-renowned golf course together in your backyard.

Four Seasons Homes has built more than half the homes in Porto Cima, carefully crafting both custom residences and planned neighborhoods to help Porto Cima reign as a uniquely styled community unlike anything in the Lake region. Linked to the heart of the area by the Community Bridge, Porto Cima and its incredible amenities set a new standard for quality family lifestyles.

The Nicklaus golf course combines with the Lake of the Ozarks to create a one-of-a-kind backdrop for Porto Cima. *Golf Digest* has recognized the Club at Porto Cima as one of the best private courses in the nation. Adding character to the spectacular golf course is the clubhouse. Its 17,000 square feet of tasteful elegance are home to a private grille, restaurant-lounge and striking vistas, plus posh locker facilities, fitness equipment and a fully-equipped pro shop. The Club at Porto Cima also boasts a yacht club, private marina, swimming pool and tennis court.

Breathtaking custom homes and lots are available for the most discerning families. You can have it all and it's waiting for you – *only at Porto Cima, from Four Seasons Homes*
