

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Complaint of the Wood Family)
Requesting that their Local Service be with) Case No. TC-2002-399
Southwestern Bell Telephone)

SPRINT RESPONSE TO STAFF RECOMMENDATION

COMES NOW Sprint Missouri, Inc. ("Sprint"), pursuant to the Commission's Order Directing Filing and hereby provides its Response to Staff's Recommendation regarding the complaint of the Wood Family against Sprint regarding exchange boundaries.

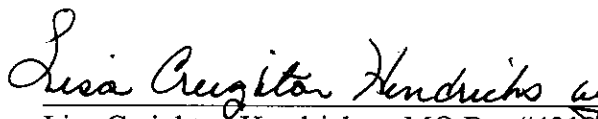

1. On February 28, 2002, the Wood family filed a Complaint with the Commission against Sprint and Southwestern Bell Telephone Company ("SWBT") seeking unlimited calling outside its local calling area or, in the alternative, to deny Sprint the ability to offer service in its Eugene exchange. On March 4, 2002, the Commission issued a formal Notice of Complaint. Both Sprint and SWBT filed timely answers and both requested the Complaint be dismissed. On April 11, 2002, the Commission ordered (a) Staff to investigate the Complaint and file a report by June 10, 2002, and (b) interested parties to file responses to Staff's report by July 10, 2002.

2. The Staff filed its report on May 13, 2002 and recommended the Commission dismiss the Complaint because the relief requested by the Woods family could not be granted.

3. Sprint will not burden the record by restating its position as stated in its April 3, 2002 Answers and Motion to Dismiss but will simply state for the record that it concurs with Staff's recommendation for dismissal.

Respectfully submitted,
