SECOND STATEMENT OF DISCOVERY CONCERNS

COMES NOW the Office of the Public Counsel (“OPC”) and for its *Second Statement of Discovery Concerns*, states as follows:

1. The Commission issued an *Order Setting Procedural Schedule* in this case on February 16, 2023. Included in that *Order* was a requirement that:

Not less than three business days before each discovery conference, any party that has a discovery disagreement or concern involving another party shall file a brief statement describing that disagreement or concern and identifying any other parties involved.

2. Pursuant to the Commission’s *Order*, the OPC now files this statement of discovery concerns to be addressed at the discovery conference currently set for June 14, 2023.

3. The nature of the OPC’s discovery disagreement is as follows, the OPC has issued data requests (“DRs”) upon Confluence Rivers Utility Operating Company, Inc. (“Confluence Rivers”) and has received either objections to or incomplete answers

regarding DRs 1167, 1168, 1169, 1170, 1171, 3037.1, and 3043. The OPC contests all of these objections and/or incomplete answers.

4. In addition, to the extent that Confluence Rivers has objected to any other DR issued by the OPC but has stated that it intends to still provide an answer of some nature, the OPC objects as necessary to preserve future discovery concerns.

WHEREFORE, the Office of the Public Counsel respectfully requests the Commission accept this statement of discovery concerns.

Respectfully submitted,

By: /s/ John Clizer
