**RE: The Empire District Electric Company d/b/a Liberty  
Case No. EO-2021-0344 - 2020 RES Compliance Report**

Dear Judge Woodruff:

On April 15, 2021, and in accordance with Commission Rule 20 CSR 4240-20.100(8), Liberty-Empire's 2020 Renewable Energy Standard ("RES") Compliance Report and 2021 RES Compliance Plan were submitted.

Since the initial submission, the Staff of the Commission raised a concern. At this time, Liberty-Empire is submitting a revised 2020 RES Compliance Report in public and confidential versions. A statement has been added to subpart P of Section (8)(A)1, regarding the calculation of the actual calendar year retail rate impact. No changes were made to other portions of the initial filing.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding these filings.

Sincerely,

*Diana C. Carter*
