

RES Draft Rule Summary Sheet
Commission Agenda Meeting—10/21/09

Draft Revision 15 is a “clean” copy with the selected alternatives from Draft Revision 14 incorporated. The gray highlighted text indicates changes in addition to the incorporation of the alternatives or text that may require additional modification or deletion.

Draft Revision 15A is the same as Draft Revision 15 except section (6) has been modified to include an ECRM-type cost recovery mechanism and an ISRS-type cost recovery mechanism, dependent on the level of the actual revenue requirement.
