Dear Judge Woodruff:

In accordance with Commission Rule 20 CSR 4240-20.100(8), Empire submitted its 2019 Renewable Energy Standard (“RES”) Compliance Report and 2020 RES Compliance Plan. After filing, Staff reviewed the documents and identified matters in need of correction on the 2019 RES Compliance Report.

Attached hereto are revised confidential and public versions of the Report. A data error in Table 2 and section D has been corrected, the value of the SRECs was moved to section E, and section L has been corrected to properly reflect that no solar rebate applications have been denied.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding these filings.

Sincerely,

Diana C. Carter
