RE: Case No. GR-2005-0169, Missouri Gas Energy

Attached for filing on behalf of Missouri Gas Energy is an electronic version of P.S.C. MO. No. 1, Ninth Revised Sheet No. 24.3, canceling Eighth Revised Sheet No. 24.3. This tariff sheet bears an issue date of January 6, 2006, and a proposed effective date of January 20, 2006.

By this filing, MGE proposes to make an adjustment to the Purchased Gas Adjustment (PGA) Rate as permitted under the provisions of Sheet No. 15 of MGE's tariff. MGE is proposing to adjust the Current Cost of Gas Factor (C.C.G.).

The proposed PGA rate of \$.93825 reflects a decrease of \$0.22946 per Ccf over the PGA Rate currently in effect of \$1.16771. The change in the PGA Rate reflects a change in the C.C.G. of \$0.22946 per Ccf, from the current amount of \$1.20401 to the proposed amount of \$.97455.

The proposed adjustment has the net effect of decreasing revenues in MGE's service area by approximately \$132,791,275 annually. This represents an overall 19.65% decrease in revenues.

Workpapers supporting the calculations performed in developing the proposed changes have been provided this date under separate cover letter to the Commission's Staff and The Office of the Public Counsel.
