Case No. WA-2002-65

REQUEST FOR A HEARING

COMES NOW, the Office of the Public Counsel, pursuant to and respectfully moves that the Missouri Public Service Commission conduct a hearing in the above-captioned case. The reasons for this request include the fact that the Environmental Utilities, LLC, the Applicant in this case, also owns Osage Water and Sewer Company, and that Company has had recent problems in providing safe and adequate service to customers. The application states that the Applicant is currently managing the Osage Water and Sewer territories, since the resignation of one of that Company's officers.

WHEREFORE, Public Counsel respectfully requests that the Commission establish a procedural schedule and set this matter for hearing in order to determine whether granting the requested certificate of convenience and necessity is in the public interest.

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL
