Missouri Public
Service Commission

In the Matter of **Secured Technologies,**)
L.C.'s 2002 Annual Report)
to the Commission as an Interexchange) Case No.
Telecommunications Carrier)

**MOTION FOR LEAVE TO FILE
ANNUAL REPORT OUT OF TIME**

Comes now **Secured Technologies, L.C.** ("Secured Technologies" or "the Company"), by and through counsel, and pursuant to 4 CSR 240-3.540(4) respectfully requests the Commission and its Secretary for leave to file its 2002 Annual Report to the Commission as an Interexchange Carrier (the Annual Report) out of time. In support thereof, Secured Technologies states the following to the Commission:

1. Secured Technologies was certificated by this Commission in January 1999 in Case No. TA-99-251. The Company is current with all annual assessments. However, due to an unfortunate oversight, Secured Technologies failed to timely file its 2002 IXC annual report.
2. Attached to this motion is the original of Secured Technologies' 2002 IXC annual report.
3. Permitting Secured Technologies to late file its annual report out of time would not be detrimental to the public interest. Its delay in filing was not intentional, and was not the result of wilful disobedience to a Commission rule. Granting leave to late file the annual report would be just and proper under the circumstances.

WHEREFORE, Secured Technologies respectfully requests the Commission to allow it to file its 2002 IXC annual report out of time and for such other orders that the Commission deems

meet and just under the circumstances.

Respectfully submitted,

Mark W. Comley #28847

* Missouri Revised Statutes §386.020(53)

(53) "Telecommunications service", the transmission of information by wire, radio, optical cable, electronic impulses, or other similar means. As used in this definition, "information" means knowledge or intelligence represented by any form of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does not include:

(a) The rent, sale, lease, or exchange for other value received of customer premises equipment except for customer premises equipment owned by a telephone company certificated or otherwise authorized to provide telephone service prior to September 28, 1987, and provided under tariff or in inventory on January 1, 1983, which must be detariffed no later than December 31, 1987, and thereafter the provision of which shall not be a telecommunications service, and except for customer premises equipment owned or provided by a telecommunications company and used for answering 911 or emergency calls;

(b) Answering services and paging services;

(c) The offering of radio communication services and facilities when such services and facilities are provided under a license granted by the Federal Communications Commission under the commercial mobile radio services rules and regulations;

(d) Services provided by a hospital, hotel, motel, or other similar business whose principal service is the provision of temporary lodging through the owning or operating of message switching or billing equipment solely for the purpose of providing at a charge telecommunications services to its temporary patients or guests;

(e) Services provided by a private telecommunications system;

(f) Cable television service;

(g) The installation and maintenance of inside wire within a customer's premises;

(h) Electronic publishing services; or

(i) Services provided pursuant to a broadcast radio or television license issued by the Federal Communications Commission;
