Issue Date: September 24, 2009

Effective Date: September 24, 2009

On August 7, 2009,¹ dPi Teleconnect, LLC (hereafter “dPi”) applied for designation as an Eligible Telecommunications Carrier (ETC) throughout the exchanges of Southwestern Bell Telephone Company, L.P. d/b/a AT&T Missouri. The Commission ordered its Staff to file a Recommendation no later than September 9.

On September 9, Staff filed a Motion for Extension of Time to File Staff Recommendation. Staff stated that there are pending eligible telecommunications carrier cases before the Commission which may affect Staff’s analysis. Staff requested an additional two weeks to prepare and file its Recommendation. The Commission granted the extension, making Staff’s Recommendation due September 23.

On September 23, Staff filed a Motion for Extension of Time to File Status Report. Staff explained that it has diligently investigated dPi’s Application, but that additional issues have arisen that warrant further discovery. Staff states that dPi does not object to Staff’s request for an extension of time until October 30.

The Commission finds Staff’s motion reasonable, and will grant it.
