**SPIRE MISSOURI INC’S REQUEST FOR WAIVER OF RULE 4 CSR 4.017(1)  
FOR ISRS CASE FILINGS, OR IN THE ALTERNATIVE,  
NOTICE OF INTENDED CASE FILINGS**

**COMES NOW** Spire Missouri Inc. (“Spire Missouri” or “Company”), on behalf of its operating units, Spire Missouri East (“Spire East”) and Spire Missouri West (“Spire West”) and, pursuant to Commission Rule 4 CSR 240-4.017(4)(D), files this request for waiver of the notice provisions of Rule 4 CSR 4.017(1) and, in the alternative, provides this Notice of Intended Case Filings, respectfully stating as follows:

1. Commission Rule 4 CSR 240-4.017(1) provides, in part, as follows:

Any person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission and shall include a summary of all communication regarding substantive issues likely to be in the case between the filing party and the office of the commission that occurred in the ninety (90) days prior to filing the notice.

2. Rule 4.017(4)(D) permits a party to request a waiver of the above cited rule for good cause. The rule provision specifically provides that good cause may be established by submitting a verified declaration that the filing party has had no communication with the office of the commission within the prior one hundred fifty (150) days regarding any substantive issue likely

to be in the case. The Company interprets this to mean that good cause is established if the filing party has had no communication with a member of the office of the Commission outside of pleadings or other public communications. Subject to that understanding, the Company has attached to this request a verified declaration that neither the Company nor any person or entity acting on behalf of the Company or its Missouri operating units, has had a communication with a member of the office of the commission in the last 150 days regarding any substantive issues that are likely to arise in these ISRS cases. For that reason, the Company requests that the Commission grant a waiver of the 60-day notice requirement for both the Spire East and Spire West ISRS filings that the Company is preparing to make in December 2018.

3. Independent of this justification, Spire Missouri also asserts that good cause exists for a waiver of the 60-day notice requirements since both Spire East and Spire West generally file ISRS cases twice per year on a regular basis. As a result, the filing of such cases can be, and are, expected by all parties involved, which significantly limits any parties' need to have two months' notice. This is an additional reason for waiving the 60-day notice requirement for the anticipated Spire East and Spire West ISRS filings.

4. In the event that the waiver is not granted, the Company hereby provides notice that it intends to file its next ISRS cases in 60 days. Although it is reasonable to assume that the plastics issue may arise again in these ISRS cases, it is unclear at this time what, if any, other issues are likely to come before the Commission.

**WHEREFORE**, Spire Missouri, Inc. respectfully requests that the Commission waive the 60-day notice requirement of Commission Rule 4.017(1) for the ISRS cases to be filed on behalf of its operating units, Spire East and Spire West, or in the alternative, accept this Notice regarding these upcoming ISRS case filings.

Respectfully submitted,
