COMES NOW the Staff of the Missouri Public Service Commission, by and through the Commission's General Counsel, and hereby files the Proposed Procedural Schedule set out below. Staff states that the schedule provides for the filing of prepared testimony and an evidentiary hearing next spring in order to permit data from the upcoming winter heating season to be collected and made available for this proceeding. Staff further advises the Commission that counsel for Laclede has agreed to this proposed schedule and that it reflects discussions with Complainant; however, Complainant has recently left on a two-weeks vacation and could not be reached. Staff has not heard from the Office of the Public Counsel.
