**RE: Case No. AO-2020-0237
AMI Opt Out Tariffs**

Dear Judge Woodruff:

On behalf of Liberty Utilities (Missouri Water) LLC, I am providing herewith to the Missouri Public Service Commission (the “Commission”) for filing, in electronic form, the following tariff sheet: PSC MO No. 16, Original Sheet No. 6.

This tariff sheet is applicable to the former Empire water customers who are now customers of Liberty Utilities (Missouri Water) LLC. This is an original tariff sheet, although it represents changes from the tariff sheet currently in effect. The changes are to clarify that, for AMI opt out customers, the default procedure will be to disable the two-communication portion of the AMI meter. The use of a non-standard (non-AMI meter), so long as available, will continue to be an option for customers. These tariff changes have no impact on rates or charges.

On August 11, 2020, revised tariff sheets addressing this same issue were submitted for Liberty Utilities (Missouri Water) LLC, for all Liberty water customers other than the prior Empire water customers, as well as for The Empire District Electric Company.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding these filings.

Sincerely,

Diana C. Carter
