

Missouri Public Service Commission
Re: Increase in Operating Revenues
November 26, 2018 – Page 2 of 2

Furthermore, the Company requests a waiver of Commission Rule 4 CSR 240-4.020(2), requiring notice to be filed with the secretary of the Commission a minimum of sixty days prior to filing a small company rate case because the Company needs to have new rates take effect as soon as possible and the Company cannot wait an additional sixty days to file.

Lastly, I wish to advise you that the Company is current on the payment of its Commission annual assessments (all past and current assessments have been paid in full) and the filing of its Commission annual reports. Additionally, the Company will remain current on these items during this small company rate increase procedure.

Thank you for your attention to this important matter. Please contact me at your convenience if you need additional information regarding this request.

Sincerely,
