Increase Request of Mill Creek Sewers, Inc.) **File No. SR-2005-0116**

ORDER GRANTING MOTION TO CLOSE CASE

Issue Date: March 16, 2010

Effective Date: March 26, 2010

On September 29, 2005, the Missouri Public Service Commission approved a tariff and agreement under which Mill Creek Sewers, Inc., was directed to operate. The Commission also directed the Staff of the Commission to monitor the company's activities and file regular reports on its progress. Staff did so until the winter of 2010.

Upon eventually realizing that the company was in need of a receiver, Staff petitioned the Commission for such relief. On March 3, 2010, after holding a hearing, the Commission issued a Report and Order Appointing an Interim Receiver.¹ In light of that order, Staff requested that this case, SR-2005-0116, be closed.

The order appointing a receiver over Mill Creek became effective on March 13. Further, more than 10 days² have expired and no party has filed opposition to Staff's request that this case be closed. The Commission will therefore grant Staff's motion and close this case.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission's motion that this case be closed is granted.

¹ Commission Case No. SO-2010-0237.

² Commission rule 2.080 (15).

2. This order shall become effective on March 26, 2010.
3. This case shall be closed on March 27, 2010.
