NOTICE OF CASE FILING

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "Company") and under 4 CSR 240-4.017(1), hereby files notice that, on or after August 3, 2019, it will submit an application for a waiver from certain regulations and tariffs in anticipation of its deployment of Automated Metering Infrastructure ("AMI") beginning in 2020, as follows:

1. Several provisions of 4 CSR 240 Chapter 13 address various notice and metering requirements that, with the deployment of Ameren Missouri's AMI, will be unnecessary or will become impracticable. Additionally, several provisions of Ameren Missouri's tariffs do not currently anticipate some of the functionality of AMI, and will require variances until AMI is fully deployed and the tariffs can be modified to reflect the new infrastructure.

2. The issues likely to be before the Commission are those outlined in 4 CSR 240-2.060 (application requirements), and 4 CSR 240-240 Chapter 13, and Ameren Missouri's tariffs, with particular regard to issues such as notice, interval data, customer meter readings, and other related issues.

3. Ameren Missouri has had no communications with the Office of the Commission (as defined in 4 CSR 240-4.015(10)) respecting this matter during the preceding 90 days.
