

Ameren Missouri – 2021 IRP Annual Update

Post-Workshop Summary Report

Background

On October 1, 2021, Ameren Missouri filed its 2021 Integrated Resource Plan (IRP) Annual Update Report in File No. EO-2022-0100 pursuant to the requirements of 20 CSR 4240-22.080(3)(B). On October 29, 2021, Ameren Missouri hosted its 2021 IRP Annual Update workshop with its stakeholder group pursuant to 20 CSR 4240-22.080(3). 20 CSR 4240-22.080(3)(C) requires that the utility file a report indicating any action items resulting from the workshop that it will undertake prior to its next triennial compliance filing or annual update and to indicate whether the utility plans to make any changes to its Annual Update Report. Ameren Missouri files this report pursuant to that section of the IRP rules.

Changes to Annual Update Report

Ameren Missouri will not be making any changes to its Annual Update Report.

Action Items to be Undertaken by Ameren Missouri

There were no action items to be undertaken by Ameren Missouri as a result of the workshop.
