RESPONSE TO ORDER DIRECTING FILING

COMES NOW Laclede Gas Company ("Laclede") and, in response to the Commission's June 6, 2007 Order Directing the Parties to Explain the Effects of FERC Order, states as follows:

1. The Commission seeks input on the effect that the FERC's April 20, 2007 Order has on this case. In response, on April 19, 2007, Staff filed a motion to dismiss its complaint in this case. Laclede has no objection to Staff's motion which should effectively dispose of this case.

WHEREFORE, Laclede respectfully requests that the Commission accept this response to its June 6 Order in this case.

Respectfully submitted,
