

Google Search by Kurt Kielisch, September 14, 2014:

The image shows a screenshot of a Google search results page. At the top, the Google logo is on the left, and the search bar contains the text "do high voltage power lines pose a risk to health". To the right of the search bar are icons for voice search and a magnifying glass. Below the search bar, there are navigation tabs for "Web", "News", "Images", "Shopping", "Videos", "More", and "Search tools". The "Web" tab is selected and highlighted with a red underline. Below the tabs, it says "About 76,900 results (0.67 seconds)". The search results are listed below, each with a purple title, a URL, and a brief description. The results include:
