**Re: The Conlon Group, Inc. v. AmerenUE**  
**Case No. EC-2001-443**

Dear Judge Roberts:

On Friday, respondent AmerenUE filed its Rebuttal Testimony in the above-referenced matter. In reviewing the schedules attached to the Rebuttal Testimony of Franklin P. Lefler, we have found that there are two references to Schedule 17. The first reference to Schedule 17 is found on page 11 of the testimony. That is an accurate reference and the appropriate Schedule 17 is attached to the testimony. A second reference to Schedule 17 is made on page 12. That is a reference to a different schedule, which should have been denominated as Schedule 19. An original and eight copies of Schedule 19 are enclosed herewith to be attached to Mr. Lefler's Rebuttal Testimony.

I am seeking to file this additional schedule by letter rather than by formal motion as I don't believe there is any dispute with respect to the schedule or that there will be any objections. If there are, I will file an appropriate motion. At the same time, we will correct this reference to Schedule 17 when Mr. Lefler testifies at the hearing.

I apologize for any confusion this may have caused. If anything further is required or if you believe a formal motion is appropriate, please let me know.

Very truly yours,

HERZOG, CREBS & MCGHEE, LLP

Michael A. Vitale
