PROPOSED PROCEDURAL SCHEDULE

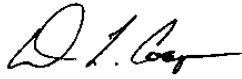

COMES NOW Missouri Gas Energy, a division of Southern Union Company (“MGE”), and, on behalf of the parties, states as follows to the Missouri Public Service Commission (Commission):

1. The Commission’s Order Scheduling Prehearing Conference set this matter for a prehearing conference and directed to the parties to file a proposed procedural schedule.
2. The prehearing conference was held on December 21, 2007. Ms. Light, as well as representatives of the Commission Staff, the Office of the Public Counsel and MGE attended and discussed both substantive issues and possible procedural schedules.
3. As a result of those discussion, the parties request that the Commission set this matter for a hearing on April 29, 2008, at 10:00 a.m. The hearing date requested is designed to allow time for additional investigation that was discussed by the parties. It is the parties’ intention to present live testimony at the hearing and to not require prefired testimony.

WHEREFORE, MGE requests that the Commission consider this pleading to comply with its Order Scheduling Prehearing Conference and, thereafter, issue its order setting the
