COMES NOW Missouri-American Water Company (MAWC) and, in accordance with Missouri Public Service Commission (Commission) Rule 20 CSR 4240-2.080(14), moves the Commission for expedited treatment of certain tariff sheets filed on March 24, 2021:

1. On February 24, 2021 (effective March 26, 2021), the Commission issued its *Order Granting Certificate of Convenience and Necessity* in this matter. Therein, the Commission a CCN to install, own, acquire, construct, operate, control, manage, and maintain a sewer system in and around Trimble, Missouri. Among other things, the Order further directed that MAWC submit certain “newly created and/or revised tariff sheets, to become effective before closing on the assets”

2. MAWC filed the applicable tariff sheets this date and those sheets have been identified by Tracking No. JS-2021-0173.

3. Both the City of Trimble and Centennial Acres are prepared to close these transactions on April 9, 2021. Accordingly, MAWC hereby seeks the Commission’s order allowing the proposed tariff sheets to go into effect on less than thirty days notice, to be effective April 9, 2021.

4. A grant of this motion will allow the transaction to move forward in a timely manner. There will be no negative effect on the customers or the general public from a grant of this motion and this motion has been filed as soon as it could be after the establishment of a closing date.

WHEREFORE, Missouri-American Water Company respectfully requests the Commission grant this Motion for Expedited Treatment and approve MAWC's proposed tariff sheets (JS-2021-0173) to be effective as of April 9, 2021.

Respectfully submitted,
