[John, please find attached two documents we would like to file in the Workshop docket. Can you please file them for me?](#)

[MDNR understands that there is not a meeting of the minds among the parties to the workshop regarding legal issues and looks forward to workshop discussions geared toward producing clear effective rules consistent with the Missouri Energy Efficiency Investment Act that will encourage utilities rather than penalize them for pursuing increasing levels of demand-side savings.](#)

[Thanks,
 Brenda Wilbers
