NOTICE OF SBEDR AGREEMENT

COMES NOW The Empire District Electric Company (“Liberty-Empire”) and submits this Notice of SBEDR Agreement. In this regard, Liberty-Empire respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. Empire and a customer have entered into a contract for service to be provided under the Limited Large Customer Economic Development Rider (“SBEDR”). That contract is attached hereto, in both public and confidential versions. Documentation of the customer’s qualifications for service to be provided under the SBEDR, confidential in their entirety, is also attached hereto.

2. Empire filed a revised Economic Development Rider (“EDR”) under Tracking No. JE-2019-0002 on July 2, 2018, which took effect November 28, 2018, pursuant to the Commission’s order issued in File No. ET-2019-0029. In conjunction with Empire’s EDR, Empire and the Office of the Public Counsel entered into a stipulation which was approved by the Commission. That stipulation provides, in part, that Empire shall file all EDR contracts with the Commission.

3. On November 9, 2018, Empire filed its SBEDR under Tracking No. JE-2019-0091. That tariff took effect December 9, 2018. Pursuant to RSMo. 393.1640 (Senate Bill 564), the SBEDR provides that all contracts executed for service to be provided under the SBEDR shall be filed with the Commission, along with documentation of the customer’s qualifications.

WHEREFORE, Liberty-Empire respectfully submits this Notice of SBEDR Agreement.

Liberty-Empire requests no action on the part of the Commission at this time.

Respectfully submitted,
