COMES NOW Missouri-American Water Company (“MAWC”), and, as its *Motion for Extension*, states as follows to the Missouri Public Service Commission (“Commission”):

1. On April 12, 2021, the Staff of the Commission (“Staff”) filed its *Staff Recommendation to Grant Certificate of Convenience and Necessity*.

2. After review of the *Staff Recommendation* and initial discussion with Staff, MAWC believes that additional discussions would be beneficial to the efficient processing of this case. Accordingly, MAWC requests that the Commission permit it until May 6, 2021, to respond to the *Staff Recommendation*.

WHEREFORE, MAWC requests that the Commission extend the deadline for its response to the *Staff Recommendation* until May 6, 2021, and grant such other and further relief as the Commission considers just in the circumstances.
