REVISED COMPLIANCE PLAN OF SAGE TELECOM, INC.

Sage Telecom, Inc. (“Sage”), by its attorneys, respectfully submits this Compliance Plan (“Plan”) for the purposes of seeking federal Lifeline support for wireless service under the Universal Service Fund’s Low Income Program.

In the *Lifeline Reform Order*,¹ the Commission adopted rules and procedures through which it instituted “blanket forbearance” from the applications of the facilities requirement to all telecommunications carriers seeking a limited ETC designation to provide wireless Lifeline services. In order to qualify for this blanket forbearance, the Commission requires carriers to comply with certain 911 requirements and file and receive approval of a compliance plan providing specific information about its service offerings and procedures to safeguard against waste, fraud and abuse.

Therefore, Sage respectfully submits this Plan in accordance with the Lifeline Reform Order and instructions set forth in the Wireline Competition Bureau *Public Notice* issued on

¹ *In the Matter of Lifeline and Link Up Reform and Modernization Lifeline and Link Up, Federal-State Joint Board on Universal Service, Advancing Broadband Availability Through Digital Literacy Training*, WC Docket No. 11-42, WC Docket No. 03-109, CC Docket No. 96-45, WC Docket No. 12-23, Report and Order and Further Notice of Proposed Rulemaking, FCC 11-12, ¶ 172 (rel. Feb. 6, 2012) (“*Lifeline Reform Order*”).

February 29, 2012.² Sage seeks approval of this compliance plan only for the provision of Lifeline support to provide wireless services nationwide, as the company offers wireline service as a facilities-based carrier under the approval of state commissions. This Plan sets forth Sage's service offerings and the procedures and measures it will use to safeguard against waste, fraud and abuse. In support of this request, Sage provides the following information:

(1) Information about the carrier and the Lifeline plans it intends to offer:

(a) names and identifiers used by the carrier, its holding company, operating company and all affiliates;

Sage is a Texas corporation with offices located at 10440 N Central Expressway, Suite 700, Dallas, TX 75231.³ The company began operations as a competitive local exchange carrier ("CLEC") providing traditional wireline service in 1998. Sage is authorized as a CLEC in 25 additional states and as an interexchange carrier in Colorado,⁴ and provides service in Arkansas, California, Connecticut, Illinois, Kansas, Michigan, Missouri, Ohio, Oklahoma, Texas and Wisconsin. Sage was authorized as an ETC in Texas in 2002, and Sage also a provider of high speed Internet services. Sage has also been designated as an ETC in a number of other states for the provisions of wireline service Lifeline service and currently has wireline Lifeline customers in five states for which it is reimbursed through state and/or federal programs, depending upon the state and the customer. Specifically, in California, Sage receives support only from the CPUC's Low Income Programs. Sage also receives support from state programs in Kansas, Texas and Wisconsin. Less than 20% of Sage's customers receive a subsidy from a low income

² Public Notice, Wireline Competition Bureau Provides Guidance for the Submission of Compliance Plans Pursuant to the Lifeline Reform Order, DA 12-314, (Rel. Feb. 29. 2012).

³ Due to a planned move of corporate offices, this address is effective after October 26, 2012.

⁴ Technically, the services provided by Sage in Texas are under the corporate entity Sage Telecom of Texas, LP, and services in all other states are provided by Sage Telecom, Inc. However, services are all offered to consumers under the trade name "Sage Telecom, Inc."

program. The company is planning to launch wireless service on a non-Lifeline basis, primarily in Texas, through an MVNO arrangement with Sprint. As the company would like to expand this offering to Lifeline customers, Sage seeks approval of a compliance plan to offer Lifeline service using this resold service.

Sage is wholly-owned by TSC Acquisition Corporation (“TSC”). TSC also owns Telscape Communications, Inc., A CLEC based in California that primarily serves customers in that state on both a wireline and wireless basis. Sage, through its common ownership with Telscape, has collective access to a broader market and combined subscriber growth. Sage is also affiliated with TruConnect Mobile, LLC (“TruConnect”), through partial common ownership. TruConnect is 40% owned by TSC, Sage’s parent company as described above. TruConnect provides mobile broadband data services and does not provide any services supported by the low income program.

(b) detailed information demonstrating the carrier is financially and technically capable of providing the supported Lifeline services in compliance with the Commission’s rules;

As a long-time provider of wireline services, particularly in Texas, Sage has a proven record of technical and financial qualifications. The company provides facilities-based wireline service in numerous states and has sophisticated back-office, operational and support systems, which allows it to operate at lower costs and pass those savings on to its subscribers. As a carrier who has provided service for nearly 14 years, Sage possesses the financial viability, as well as the expertise to continue to provide affordable and quality service to customers and has the proven experience to maintain its compliance with all applicable federal and state regulatory guidelines. Sage derives the majority of its revenue from the telecommunications services it provides to its customers. Sage does not and will not rely exclusively on the Universal Service

Fund (“USF”) disbursements to operate, but rather relies on revenues it receives from providing non-Lifeline wireline (and soon wireless) service, the payment for service by Lifeline customers,⁵ as well as high-speed Internet services. In addition, Sage has not been subject to any type of enforcement action or ETC revocation proceeding by the FCC or any state utility regulatory commission.

Sage is working with Sprint Spectrum to resell Sprint’s wireless services to non-Lifeline customers in Texas and elsewhere. As a Lifeline service provider, Sage would continue to work with Sprint, who provides the necessary network infrastructure and wireless facilities necessary for the operation of Sage’s services as a Mobile Virtual Network Operator (“MVNO”). As the Commission is aware, Sprint is a large, nationwide carrier who provides similar service to other wireless Lifeline providers operating as MVNOs. Sage’s agreement and partnership with Sprint further demonstrates its financial and technical capability to provide these services.

(c) detailed information, including geographic locations, of the carrier’s current service offerings if the carrier currently offers service;

As detailed in response to Question 1(a) above, Sage currently provides local and interstate wireline and is planning to provide wireless services in numerous states, with a particular emphasis on Texas.

(d) the terms and conditions of each Lifeline service plan offering, including rates, the number of minutes provided and additional charges, if any, for toll calls;

At this time, Sage plans to offer the following wireless Lifeline plans and services, subject to state specific requirements or requests from state PUCs. These plans are offered to both Lifeline and non-Lifeline subscribers, with a discount applied to the Lifeline customer. Services will be offered on a prepaid basis, and potentially also on a postpaid basis. All services

⁵ All of Sage’s Lifeline wireline customers currently pay a monthly fee for the discounted service.

will normally have an activation fee and will likely require a monthly payment from the customer. The prices listed below show the basic, non-Lifeline price and the price to the consumer with the \$9.25 Lifeline credit applied. All plans will likely require a monthly payment by the customer. Sage commits to providing a minimum of 250 minutes per month for the \$9.25 subsidy.

Sage is still determining the exact plans it will offer (reiterating the condition that plans will provide a minimum of 250 minutes for the \$9.25 subsidy), but a sample plan would be as follows:

ValuMobile Plus Price: \$24.25 per month/Lifeline Price: \$15.00

| Features | Cost |
|------------------------|----------|
| 500 minutes Voice/Text | Included |
| Call Waiting | Included |
| 3 Way Calling | Included |
| Caller ID | Included |
| VoiceMail | Included |
| 911 | Free |
| 611 (Customer Service) | Free |
| Directory Assistance | \$1.50 |

Activation Fee: \$25.00

Additional Minutes: For all service plans the customer can purchase additional voice, data, MMS, text minutes for \$0.05 per minute with a minimum purchase of \$5.00. For example, 100 additional minutes will cost \$5.00. The customer will have the ability to purchase 100 minutes (\$5.00); 200 minutes (\$10.00); 300 minutes (\$15.00) and 500 minutes (\$25.00). For Unlimited service plans the customer will not need additional voice or text but will need to purchase additional minutes for data and MMS. MMS is priced at \$0.15 per minute and Data is \$0.05 per MB.

Text Messages: The service plans include text messaging; text messaging rates are assessed at 1 minute per text message sent and 1 minute per text message received.

Other: Plans do not permit rollover minutes. Top Ups are available for a 30 day period as long as the customer renews the service at the normal plan rate. Plans do not allow roaming. The \$25.00 Activation Fee includes selection of a basic handset which is activated and provided ready for use. Customers are allowed to call internationally but will be assessed the international rates. International text rates are \$0.20 per minute for messages sent or received. Special Promotional offer: 10 MB data FREE for 3 months with the selection of a data capable phone.

(e) all other certifications required under newly amended section 54.202 of the Commission's rules.

Section 54.202 requires ETCs to (1) certify that it will comply with the applicable service requirements; (2) file a five-year plan detailing proposed improvements or upgrades in the network unless the ETC is receiving only Lifeline support; (3) demonstrate that it will continue to function in emergency situations including reasonable back-up backup power and emergency traffic management; (4) demonstrate that the carrier will comply with applicable consumer protection and service quality standards; (5) demonstrate that it is financially and technical qualified to provide Lifeline services that comply with the applicable rules; and (6) provide information concerning the terms and conditions of the service plans offered to Lifeline customers.

In response to item (1), Sage certifies that it will comply with applicable service requirements and regulations for Lifeline support.

In response to item (2), Sage is not required to submit a five year plan since it is seeking to obtain only Lifeline support for its eligible customers.

In response to item (3), as a CLEC provider in multiple states for over 14 years, Sage has significant experience with emergency preparedness. Sage has detailed Emergency Action and Disaster Recovery Plans in place to respond to emergencies. In addition, Sage's agreement with Sprint provides for the continuation of services during emergencies and sets forth obligations for the service to remain functioning during disasters and similar emergency situations. In addition, as a nationwide carrier and provider of wireless service, Sprint also remains subject to the Commission's authority and must, and does, comply with federal outage reporting requirements.

In response to item (4), Sage certifies that it will comply with the applicable consumer protection and service quality standards. As an operating CLEC in many states, Sage is already subject to states consumer protection and service quality requirements. Sage's wireless Lifeline customers will also receive the same quality service and protections.

Sage's response to items (5) and (6) are provided above and in the provided exhibits

(2) A detailed explanation of how the carrier will comply with the Commission's new rules relating to determinations of subscriber eligibility for Lifeline services, including all consumer eligibility, consumer enrollment and re-certification procedures as required by Section VI and Appendix C of the Lifeline Reform Order, and a copy of the carrier's certification form;

Under the *Lifeline Reform Order*, ETCs must comply with eligibility rules for Lifeline services, including initial eligibility, certification, and annual re-certification procedures. In addition to the Commission's rules, Sage must also comply with all certification and verification requirements for Lifeline eligibility established by states where Sage is designated as an ETC. For states that do not have a Lifeline administrator or state agency responsible for determining eligibility and initial certifications and annual certifications, Sage certifies it will comply with the Commission's certification and verification requirements and will follow the procedures outlined below until such time as the Commission implements its planned National Lifeline Accountability Database.

Procedures for Initial Eligibility Determination and Certification of Lifeline Subscribers.

With respect to determining eligibility certification procedures, the rules provide that an ETC must determine a Lifeline applicant's eligibility and provide and receive certification forms with proper documentation from Lifeline subscribers, except where there is a state Lifeline administrator or a state agency responsible for eligibility verification.

In states where there is a third party entity acting as the Lifeline administrator (also referred to as the "Low Income Discount Administrator" or "LIDA" in Texas) who is responsible for determining the eligibility of consumers seeking to subscribe to Lifeline service, sending out certification forms, reviewing documentation and providing ETCs with the appropriate approval of a potential subscriber's eligibility for Lifeline, Sage will comply with the program rules established in those states and will cooperate fully with any state Lifeline administrator.

Based on Sage's history of providing Lifeline and non-Lifeline customers in wireline products, Sage's primary source of signing up Lifeline customers will be via telephone, although some customers may be signed up in person at temporary locations staffed by Sage employees. Visitors to Sage's website will be given information about the program but are required to contact Sage directly via telephone to complete the sign-up process. These callers speak to Sage employees who are specially trained on the Lifeline programs. Sage's customer services representatives will review income- and program-based requirements with applicants via telephone contact. During the initial sign up for service, Sage will (a) require the applicant to confirm that he or she is not already receiving a Lifeline service and that no one else in the applicant's household is subscribed to a Lifeline service in order to avoid providing duplicate services; and (b) inform the applicant of both the income- and program-based eligibility requirements to determine initial eligibility and any state-specific requirements.

Customers are offered the choice to either sign up for service as a non-Lifeline customer pending confirmation of eligibility, or to have their application for service held pending confirmation of eligibility. In the event the customer chooses to proceed, they are processed as a new non-Lifeline customer and the verification process continues as described below. The customer would only be given the Lifeline discount when they have satisfied the verification process, either through the state administrator or Sage's internal process. If the customer is eventually deemed ineligible, they receive no credit. Where the customer chooses to wait for confirmation of eligibility before starting service, the employee will take down the relevant information from the consumer, including payment information, but the order is then held pending verification of eligibility. Only if the customer is determined to be eligible is the order processed.

The Verification process varies by state, in states with a Lifeline administrator, if a new applicant indicates that he or she is eligible for Lifeline service, Sage will provide the applicant's relevant information to the administrator in conformance with any state or Lifeline administrator specific rules. The Lifeline administrator will provide the requisite forms and will be responsible for processing those forms when returned and ensuring the documentation is satisfactory as set forth in state regulations. Sage will not provide Lifeline service or seek reimbursement for providing services to such applicant until it receives a certification of eligibility from the Lifeline administrator.

In states where there is no Lifeline administrator or state agency responsible for determining initial eligibility and certifying Lifeline applicants, Sage will require all applicants to demonstrate either: (1) the applicant's household income is at or below 135% of the Federal Poverty Guidelines based on the income-eligibility criteria set forth in Sections 54.409(a)(1) or

(a)(3) or (2) the applicant participates in Medicaid, Food Stamps, Supplemental Security Income, Federal Public Housing Assistance, Low-Income Home Energy Assistance Program, National School Lunch Program or Temporary Assistance for Needy Families. As required to prevent suspected duplications, Sage will also require the customer to complete the Lifeline Household Worksheet issued by USAC to ensure that duplicate support is not provided to any household. Sage will inform the applicant that any information provided will be submitted to USAC as necessary under the Commission's rules to verify the household is not receiving duplicate Lifeline support.

After confirming initial eligibility either in person or over the phone, Sage will provide the individual with an application via mail requiring him or her to provide certain information and certify that they meet either the income-based eligibility requirements or the program-based requirements, make certain certifications and submit documentation. Specifically, Sage's Lifeline application form will collect the following information from the potential Lifeline customers: (i) the subscriber's full name; (ii) the subscriber's full residential street address (P.O. Boxes will not be acceptable); (iii) whether the residential address is permanent or temporary; (iv) the subscriber's billing address, if different; (v) the subscriber's date of birth; (vi) the last four digits of the subscriber's Social Security number (or Tribal identification number if the subscriber is a member of a Tribal nation and does not have a Social Security number); (vii) if the subscriber is seeking to qualify for Lifeline under the program-based criteria, the name of the qualifying assistance program from which the subscriber, or his or her dependents, or his or her household receives benefits; and (viii) if the subscriber is seeking to qualify for Lifeline under the income-based criterion, the number of individuals in his or her household.

In addition, as part of the Lifeline application, Sage will require all Lifeline applicants to certify, under penalty of perjury, that:

- the applicant meets the income-based or program-based eligibility criteria for receiving Lifeline either because the household receives benefits from a state or federal assistance program (and list the name of the program) or has income at or below 135% of the Federal Poverty Guidelines;
- the applicant has provided documentation to Sage that correctly and accurately confirms the subscriber's household income or participation in the above-listed program(s);
- the applicant will notify its carrier within thirty (30) days if, for any reason, he or she no longer satisfies the criteria for receiving Lifeline including, as relevant, if the applicant no longer meets the income-based or program-based criteria for receiving Lifeline support, the applicant is receiving more than one Lifeline benefit, or another member of the subscriber's household is receiving a Lifeline benefit. The applicant will also certify that they understand this requirement and may be subject to penalties if they fail to notify Sage;
- if the applicant moves to a new address, he or she will provide that new address to the eligible telecommunications carrier within thirty (30) days;
- if the applicant provided a temporary residential address to the eligible telecommunications carrier, he or she will be required to verify his or her temporary residential address every ninety (90) days;
- the applicant acknowledges that the subscriber will be required to re-certify his or her continued eligibility for Lifeline at any time, and the applicant's failure to re-certify as to his or her continued eligibility will result in de-enrollment and the termination of the applicant's Lifeline benefits;
- the applicant's household will receive only one Lifeline service and, to the best of his or her knowledge, the subscriber's household is not already receiving a Lifeline service;
- the information contained in the applicant's certification form is true and correct to the best of his or her knowledge, that providing false or fraudulent documentation or information in order to receive assistance is punishable by fines, imprisonment, de-enrollment or being barred from the program;
- That a violation of the one-per-household rule constitutes a violation of FCC rules and will result in their de-enrollment from the Lifeline program
- the applicant understands that Lifeline is a non-transferable benefit and the service may not be transfers to anyone else; and
- the applicant understands their information, including name, telephone number and address, will be given to the Universal Service Administrative Company (USAC) and/or its agents for the purpose of verifying the applicant and the applicant's household do not

receive more than one Lifeline benefit and consenting to the inclusion of that information into a Lifeline database.

A sample Sage application is attached hereto as Exhibit A.

This application is mailed by Sage to the customer for completion and is returned to Sage for review and certification. All applications are reviewed by Sage employees. Should Sage engage sales agents to assist in signing up customers, those applications will also be reviewed by Sage employees to ensure the applicant's eligibility.⁶ This review includes a review to determine eligibility as well as a duplicate review process described below. Sage will make itself available as a direct point of contact with all Lifeline applicants. In addition, all Sage employees who have contact with potential Lifeline customers will be fully trained on the state and Commission Lifeline eligibility rules.

If Sage cannot determine a prospective subscriber's eligibility through a review of an appropriate federal or state database, Sage personnel will require the submission of appropriate documentation required to establish income-based and program-based eligibility and will review each subscriber's documentation for compliance with the eligibility criteria. If documentation is not sufficient or if the application is incomplete, then Sage will deny the application and inform the applicant of the reason for such rejection. For applicants submitting proof of income-eligibility or program-based eligibility, Sage will not retain copies of such documentation but will maintain accurate records detailing how the customer demonstrated his or her eligibility.⁷ In addition, if the subscriber provides Sage with a temporary address, it will verify with the subscriber every 90 days that this address remains valid. If the subscriber fails to respond to the Sage within 30 days, the subscriber will be de-enrolled from the Lifeline program.

⁶ In states with a Lifeline Administrator, this process would be handled pursuant to the procedures of the Administrator.

⁷ 47 C.F.R. §§ 54.410(b)(1)(ii)-(iii) and 54.410(c)(1)(ii)-(iii).

Procedures for Annual Re-Certification. Similar to the initial certification process, an ETC must annually certify all subscribers, unless there is a Lifeline administrator that is responsible for re-certification. In states where a Lifeline administrator is responsible for completing annual re-certifications, Sage will rely on such administrator completing the annual certification. If the Lifeline administrator provides notice to Sage that a current subscriber did not re-certify, then Sage will comply with the de-enrollment requirements required by the FCC's rules. Sage will cooperate fully with any Lifeline administrator and take any necessary steps to ensure it is in compliance with both state and federal re-certification procedures.

In states where there is not a Lifeline administrator, Sage will require its Lifeline subscriber to annually re-certify their eligibility as set forth in Rules 54.410(f)(2) and (f)(5) and 54.405(e)(4). Sage may complete the re-certification process on a rolling basis throughout the year. If Sage cannot determine on-going eligibility by accessing a qualifying database, Sage will re-certify the continued eligibility of its subscribers by contacting them in person, in writing (by mail), by phone, by text message, by email or otherwise through the Internet.⁸ Alternatively, beginning in 2013, Sage may elect to have the USAC administer the annual self-certification process.⁹

As part of the re-certification process, Sage will inform its Lifeline subscribers that they must confirm eligibility to retain Lifeline benefits, when Lifeline benefits will be terminated if confirmation of eligibility is not provided and how to contact Sage for more information or assistance. If a Lifeline subscriber does not respond to the notice within 30 days, Sage will send

⁸ *Lifeline Reform Order*, ¶ 130.

⁹ *Id.*, ¶ 133.

a notice of impending termination. Subscribers who do not respond to the impending termination notice will be de-enrolled from the Lifeline program within five business days.¹⁰

(3) A detailed explanation of how the carrier will comply with the forbearance conditions relating to public safety and 911/E-911 access;

The Commission conditioned its grant of forbearance on an ETC (a) providing its Lifeline subscribers with 911 and E911 access, regardless of activation status and availability of minutes; (b) providing its Lifeline subscribers with E911-compliant handsets and replacing, at no additional charge to the subscriber, noncompliant handsets of Lifeline-eligible subscribers who obtain Lifeline-supported services.¹¹ Sage's wireless service currently complies with these requirements and will continue to comply with these conditions.

Specifically, Sage provides its wireless subscribers with 911/E911 access at the time their service is initiated, regardless of activation status and availability of minutes and provides its subscribers with E911-compliant handsets. It is the company's practice to provide access to 911/E911 to the extent these services are available from the underlying carrier, Sprint. Sage also enables 911 emergency calling from all properly activated handsets regardless of whether the account associated with the handset is active, suspended to terminated. Sage will transmit all 911 calls initiated from any of its handsets even if the associated account has no remaining minutes.

In addition, all phones provided by Sage are 911/E911 compliant. Sage uses phones from Sprint that, based on representations made to Sage by Sprint, have been through the applicable certification process in the company's labs. In the event that a customer does not have an E911-complaint handset, Sage will replace it with a compliant handset at no charge. All new

¹¹ *Lifeline Reform Order*, ¶ 373.

customers who qualify for Lifeline services with Sage will receive a 911/E911-compliant handset free of charge.

(4) A detailed explanation of how the carrier will comply with the Commission’s marketing and disclosure requirements for participation in the Lifeline program;

Sage has experience in providing clear, concise and consistent marketing and disclosure information to its wireline Lifeline to its customers. With respect to its wireless services, Sage will emphasize in clear, easily understood language: (a) that the service is a Lifeline-supported service; (b) that only eligible consumers may enroll in the program; (c) what documentation is necessary for enrollment; and (d) that the benefit is limited to one per household consisting of either wireline or wireless service and is non-transferrable. Sage will also explain that Lifeline is a government benefit program and willfully making false statements to obtain Lifeline benefits may be punished by fine or imprisonment or result in being barred from the program. Sage has and will continue to clearly disclose its name (Sage or Sage Wireless) on all marketing materials. A sample advertisement to be used as a model for creation of state-specific advertisements is attached hereto as Exhibit B. Please note that the two pages of the exhibit represents the front and back of single page document.

(5) A detailed explanation of the carrier’s procedures and efforts to prevent waste, fraud and abuse in connection with Lifeline funds, including but not limited to, procedures the carrier has in place to prevent duplicate Lifeline subsidies within its own subscriber base, procedures the carrier undertakes to de-enroll subscribers receiving more than one Lifeline subsidy per household, information regarding the carrier’s toll limitation service, if applicable, and the carrier’s non-usage policy, if applicable.

Sage fully understands and shares the Commission’s commitment to minimize waste, fraud and abuse with respect to the Lifeline program. Sage derives less than a quarter of its revenue from Low Income service, and does offer a wireline low income service in a number of states both with and without an administrator. Nonetheless, Sage has focused its operations in a

few states, with a goal of focused growth, to be offered initially in Texas, and then into other states in which Sage is already a wireline ETC. This approach has allowed Sage to refine its business practices and to implement policies consistent with the Commission's goal of minimizing waste, fraud and abuse before launching its service nationwide at some time in the future.

Prevention of Duplicates In Sage's Subscriber Base. At time of initial sign up of a new subscriber, the subscriber's service address is validated for accuracy against the USPS ("United States Postal Service") database and saved in the USPS-approved format, which permits the Sage subscriber database to more accurately prevent duplicates by preventing variations of the same address from appearing multiple times in the database. Once the address is validated for accuracy and format, Sage can check it in available databases or provide it to the Lifeline administrator, where applicable, to be checked against addresses for all Lifeline customer addresses for the entire state.

In addition, while it is anticipated that Sage and its affiliate, Telscape will only operate in different states, to the extent that they have Lifeline customers in the same state, customers can be checked against each company's records to further avoid duplication.

Activation and Non-Usage Policy. Sage will not consider a wireless subscriber activated until the customer has chosen a *non-Lifeline* service plan, activates their service by paying the activation fee, and then applies for and is approved for a Lifeline service plan. Adhering to this "prequalification guideline" prevents waste, fraud and abuse by requiring customers to first sign up for service at regular rates and then only provide discounted service once the customer's eligibility has been confirmed through verification or a Lifeline administrator. As such, Sage will not seek reimbursement for any wireless subscriber until the subscriber activates service and

is approved by the Lifeline administrator or by Sage, in states without a third party Lifeline administrator. Customers who wish to be confirmed as an eligible Lifeline subscriber prior to commencing service can place a non-Lifeline order and have the order held pending verification of eligibility as described above. Because customers do not receive their handset and service until they have an order processed and the activation fee is paid, customers receive activated handsets. Thus, there is no possibility of Sage receiving reimbursement for a customer who does not have an active handset. After the order is processed, Sage personnel activate, configure and test the handsets before they are sent to the consumer. Thus all customers receive an activated handset.

As required by the *Lifeline Reform Order*, Sage has implemented a non-usage policy under which it will de-enroll Lifeline customers that have not used the Sage's Lifeline service for 60 consecutive days. When consumers sign-up for Sage's service, Sage will inform them about the usage requirement. If a Sage Lifeline customer's account does not reflect any usage during any consecutive 60-day period, Sage will deactivate the customer's Lifeline service. Accounts will be deemed active if the Lifeline subscriber: (a) completes an outbound call; (b) purchases minutes or an additional month of service to add to the subscriber's Lifeline service plan; (c) answers an incoming call from a party other than Sage, its agent or representative; or (d) responds to a direct contact from Sage and confirms that he or she wants to continue receiving the Lifeline service.¹²

For Lifeline subscribers failing to use their Lifeline service for a 60-day consecutive period as described above, Sage will provide a clear, easily understood notice that the subscriber's failure to use the Lifeline service within the 30-day notice period will result in

¹² See *Lifeline Reform Order*, ¶ 261; 47 C.F.R. § 54.407(c)(2).

service termination for non-usage. Sage will not terminate service to Lifeline subscribers that use their Lifeline service within 30 days of Sage providing said notice.¹³

Cooperate with Federal and State Regulators and Lifeline Administrators. Sage will cooperate with the Commission and has and will continue to cooperate with state regulators and Lifeline administrators to prevent waste, fraud and abuse. Sage will, for example:

- As applicable, participate in industry working groups conducted by or in coordination with state commissions and Lifeline administrators;
- Respond to requests from the Commission, USAC or state commissions concerning consumers' eligibility to be enrolled in Lifeline service, among other matters;
- Upon having a reasonable basis and/or upon any notification from federal or state commissions and/or Lifeline administrators, timely investigate issues concerning a Sage Lifeline customer receiving service from another carrier or customers receiving more than one Lifeline subsidy per household;
- As applicable and when available, access the National Lifeline Accountability Database to determine if an applicant is currently receiving Lifeline service from another carrier or if another person residing at the applicant's residential address is receiving Lifeline service; and
- Comply with federal and state audit requirements.

¹³ 47 C.F.R. § 54.405(e)(3).

CONCLUSION

Sage respectfully submits that the foregoing Compliance Plan fully satisfies the conditions set forth in the *Lifeline Reform Order*. Accordingly, Sage respectfully requests approval of this Compliance Plan so that Sage can provide essential Lifeline wireless service to eligible low-income customers nationwide.

Lifeline Information

- Lifeline is a federal benefit and that willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program.
- Only one Lifeline service is available per household.
- A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses.
- A household is not permitted to receive Lifeline benefits from multiple providers.
- You must use your phone every 60 days to maintain service. Usage includes making an outbound call, answering an incoming call. Usage can also include the purchase of additional minutes or payment of your monthly bill. If there is no usage on your account for 60 days you will be de-enrolled from the program.
- Lifeline is a non-transferable benefit and the subscriber may not transfer his or her benefit to any other person.

Lifeline Certification Instructions

Step 1. Fill out the Customer Information Section. You must provide the last four digits of your Social Security Number and Date of Birth.

Step 2. Indicate How You Qualify for Lifeline. Choose whether you participate in a qualifying program or if you household income falls within the guidelines. You **MUST** send photocopies demonstrating that you participate in the qualifying program or if you qualify based on your household income, you must provide documentation of income that covers one full year. Documentation that does not cover a full year, such as paystubs, the customer must present the same type of documentation covering Three Consecutive Months within the previous twelve months.

Step 3. Determine If You Qualify for Tribal Land. Not all customers will be eligible for the Tribal Land benefit. To be eligible for Tribal Lands a customer must reside on Tribal Lands and participate in one of the following programs: Tribally Administered Free School Lunch Program, Tribally Administered Temporary Assistance for Needy Families, Food Distribution Program on Indian Reservations, Head Start (those meeting income standard), and Bureau of Indian Affairs General Assistance.

FEDERAL LIFELINE RECERTIFICATION FORM

Lifeline Information

- All Lifeline subscribers must annually recertify their continued eligibility in the Lifeline program.
- Lifeline is a Federal benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program.
- Only one Lifeline service is available per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses.
- A household is not permitted to receive Lifeline benefits from multiple providers (wireline or wireless).
- You must use your phone every 60 days to maintain service. Usage includes making an outbound call, answering an incoming call. Usage can also include the purchase of additional minutes or payment of your monthly bill. If there is no usage on your account for 60 days you will be de-enrolled from the program.
- Lifeline is a non-transferable benefit and the subscriber may not transfer his or her benefit to any other person.
- Failure to recertify will result in being de-enrolled from the program and loss of the Lifeline credits.
