Re: Application for Change of Electric Service Provider; Thomas A. Marshall; Sikeston, Missouri

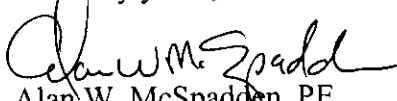

Dear Sir or Madam:

This letter is in support of the Application for Change of Electric Service Provider filed by Mr. Thomas A. Marshall of Sikeston, Missouri. Mr. Marshall wishes to change his electric service provider from the SEMO Electric Cooperative to the Sikeston Board of Municipal Utilities.

The City of Sikeston has annexed the area surrounding and including the property owned by Mr. Marshall. The Board of Municipal Utilities is now serving new electrical loads within the annexed area. Please be advised that the Sikeston Board of Municipal Utilities electric distribution system has more than adequate capacity to provide service to the annexed area and the property owned by Mr. Marshall.

I certify that I am the Operations Manager for the Sikeston Board of Municipal Utilities and I am directly responsible for the operation, maintenance and expansion of the electric distribution system in Sikeston.

Sincerely yours,

Alan W. McSpadden, PE
Operations Manager
