**ORDER CONSOLIDATING CASES**

Issue Date: January 4, 2007

Effective Date: January 4, 2007

On December 8, 2006, the Commission issued an Order Directing Filing in which it asked Staff, among other things, to state whether it believed the two above-referenced cases could be consolidated. On December 18, Staff replied in the affirmative. No party responded to Staff's pleading.

Commission Rule 4 CSR 240-2.110(3) states that the Commission may consolidate cases that involve related questions of law or fact. Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to pleadings.

The Commission finds that these cases involve related questions of law and fact, and that the Commission should therefore consolidate them. The Commission will designate Case No. SC-2005-0083 as the lead case. All further pleadings in this matter should be filed in Case No. SC-2005-0083.

**IT IS THEREFORE ORDERED THAT:**

1. Case No. SC-2005-0099 is consolidated with Case No. SC-2005-0083.
2. Case No. SC-2005-0083 shall be the lead case, and all pleadings in this matter shall be filed in Case No. SC-2005-0083.
3. That this order shall become effective on January 4, 2007.
