ORDER DIRECTING FILING

Issue Date: March 29, 2006

Effective Date: March 29, 2006

This order directs the Staff of the Commission to report to the Commission whether the Missouri Department of Natural Resources and the Attorney General wish to intervene in this case.

On October 4, 2004, the Reiersons filed a Complaint. On March 3, 2005, after several status reports, the Staff of the Commission filed its Motion for an On-The-Record Presentation. Staff asks for an on-the-record presentation to inform the Commission of the status of this case. Staff also states that it would be beneficial for the Missouri Department of Natural Resources and the Attorney General to become parties to the case, but that Staff is unsure whether DNR and AGO would consent to intervene.

The Commission will order Staff to inform the Commission when it learns of DNR's and AGO's positions.

IT IS ORDERED THAT:

1. The Staff of the Commission shall file a pleading informing the Commission of its understanding of whether the Missouri Department of Natural Resources and the Attorney General wish to intervene no later than April 28, 2006.
2. This order shall become effective on March 29, 2006.
