ORDER DIRECTING FILING

Issue Date: January 9, 2007

Effective Date: January 9, 2007

On September 20, 2006, L.W. Sewer Corporation asked the Commission for authority to reorganize and convert to a nonprofit sewer company. In addition, L.W. Sewer Corporation asked that the Commission cancel its certificate of convenience and necessity.

On November 9, Staff filed its Recommendation. Staff recommended that the Commission order L.W. Sewer to file executed copies of the Articles of Conversion, Amendment and Acceptance and the related shareholder consent. Also, Staff recommended that the Commission order L.W. Sewer to file the proposed by-laws under which the proposed nonprofit sewer company will be operating. Staff stated that upon L.W. Sewer filing those documents, Staff planned to file its recommendation.

L.W. Sewer responded to a Commission Order Directing Filing by filing a Motion Requesting Approval of Application to Reorganize on December 12. Contemporaneously therewith, L.W. Sewer filed documents that appear to be the documents Staff requested in its November 9 pleading.

The Commission will order its Staff to file a recommendation or a status report.

IT IS THEREFORE ORDERED THAT:

1. The Staff of the Commission shall file a Recommendation or, in the alternative, a status report informing the Commission of when it plans to file a Recommendation, no later than January 23, 2007.
2. This order shall become effective on January 9, 2007.
