**MOTION FOR EXTENSION OF TIME

COMES NOW Confluence Rivers Utility Operating Company, Inc. (“Confluence Rivers”), and, as its *Motion for Extension of Time to Respond to Staff Report and Recommendation*, states as follows to the Missouri Public Service Commission (“Commission”):

1. On June 5, 2023, the Staff of the Commission (“Staff”) filed its *Staff Report and Recommendation* recommending the Commission approve Confluence River’s request for a Certificate of Convenience and Necessity to provide sewer service in the Lost Valley service area and makes further recommendations as to certain conditions.

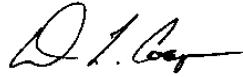

2. Commission Rule 20 CSR 4240-2.080 would require that any response to the *Staff Report and Recommendation* be filed within ten days (or, in this case, by June 15, 2023).

3. Confluence Rivers, while generally in agreement with the *Staff Report and Recommendation*, needs additional time to explore, and perhaps discuss, a certain Staff recommendation. In order to complete this process, Confluence Rivers requests that the Commission permit it until June 22, 2023, to respond to the *Staff Report and Recommendation*.

WHEREFORE, Confluence Rivers requests that the Commission extend the deadline for its response to the *Staff Report and Recommendation* until June 22, 2023, and grant such other and

further relief as the Commission considers just in the circumstances.

Respectfully submitted,
