Case No. SC-2005-0083

In regard to the Order Directing Filing, the reason we did not show up to the settlement conference on April 5th was due to the fact that there was no stated time or location of the hearing given on the Order Setting Procedural Schedule, we sent emails to James Merciel and Martin Hummel on March 30th as well as voice mail to James Merciel on April 4th requesting a time but there was no response to any of these.

I trust this will be sufficient evidence as to why I did not participate on April 5th regarding this case.

A handwritten signature in cursive script, reading "Robert M. Hellebusch". The ink is dark and the signature is fluid.
