Section 502. Deposits into the Construction Fund. The proceeds of the sale of the Bond, including Additional Payments provided for in the Bond Purchase Agreement, when received, excluding such amounts required to be paid into the Bond Fund pursuant to **Section 602** hereof, shall be deposited by the Trustee into the Construction Fund. Any money received by the Trustee from any other source for the purpose of acquisition, construction, installation or equipping of the Project shall also be deposited into the Construction Fund.

Section 503. Disbursements from the Construction Fund.

(a) The moneys in the Construction Fund shall be disbursed by the Trustee for the payment of, or reimbursement to the Company for payment of, Project Costs upon receipt of requisition certificates signed by the Company in accordance with the provisions of **Article IV** of the Lease, and the Trustee hereby covenants and agrees to disburse such moneys in accordance with such provisions. In paying any requisition under this Section, the Trustee may rely as to the completeness and accuracy of all statements in such requisition certificate if such requisition certificate is signed by the Authorized Company Representative. If the City so requests in writing, a copy of each requisition certificate submitted to the Trustee for payment under this Section shall be promptly provided by the Trustee to the City.

(b) If required, the City covenants and agrees to take all necessary and appropriate action promptly in approving and ordering all such disbursements. The Trustee is hereby authorized and directed to make disbursements in the manner and as provided for by the aforesaid provisions of the Lease.

(c) The Trustee shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall provide a statement of receipts and disbursements with respect thereto to the Company on a monthly basis. After the Project has been completed and a certificate of payment of all costs filed as provided in **Section 504** hereof, the Trustee, to the extent it has not already done so pursuant to this Section or **Section 1012** hereof, shall file a final statement of receipts and disbursements with respect thereto with the City and the Company.

Section 504. Completion of the Project. The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate required by the provisions of **Section 4.5** of the Lease. As soon as practicable thereafter, any balance remaining in the Construction Fund shall without further authorization be deposited in the Bond Fund.

Section 505. Disposition Upon Acceleration. If the principal of the Bonds shall have become due and payable pursuant to **Section 902** of this Indenture, upon the date of payment by the Trustee of any moneys due as hereinafter provided in **Article IX** provided, any balance remaining in the Construction Fund shall without further authorization be deposited in the Bond Fund by the Trustee with notice to the City and to the Company of such action.

ARTICLE VI

REVENUES AND FUNDS

Section 601. Creation of the Bond Fund. There is hereby created and ordered established in the custody of the Trustee a special trust fund in the name of the City to be designated the "City of Peculiar, Missouri, Taxable Industrial Revenue Bond Fund -- Aquila Project" (herein called the "**Bond Fund**").

Section 602. Deposits Into the Bond Fund. The Trustee shall deposit into the Bond Fund, as and when received, (a) all accrued interest on the Bonds, if any, paid by the purchaser of the Bonds; (b) all Basic Rent payable by the Company to the City under **Section 5.1** of the Lease and amounts due under **Section 5.2** of the Lease; (c) any amount in the Construction Fund to be transferred to the Bond Fund pursuant to **Section 504** hereof upon completion of the Project or pursuant to **Section 505** hereof upon acceleration of the Bonds; (d) the balance of any Net Proceeds (as defined in the Lease) of condemnation awards or insurance received by the Trustee pursuant to **Article IX** of the Lease; (e) the amounts to be deposited in the Bond Fund pursuant to **Section 9.1(g)** and **9.2(c)** of the Lease; (f) all interest and other income derived from investments of Bond Fund moneys as provided in **Section 702** hereof; and (g) all other moneys received by the Trustee under and pursuant to any of the provisions of the Lease when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund.

The Trustee shall notify the Company in writing, at least 15 days prior to each date on which a payment is due under **Section 5.1** of the Lease, of the amount that is payable by the Company pursuant to such Section.

Lease and deposited to the Bond Fund as provided in **Section 602** above, shall be expended by the Trustee for such items of Additional Rent as they are received or due without further authorization from the City.

(b) The City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of and the interest on the Bonds as the same become due and payable and to make said funds so withdrawn available to the Paying Agent for the purpose of paying said principal and interest.

(c) Whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds Outstanding and to pay interest to accrue thereon prior to such redemption, the City covenants and agrees, upon request of the Company, to take and cause to be taken the necessary steps to redeem all such Bonds on the next succeeding redemption date for which the required redemption notice may be given or on such later redemption date as may be specified by the Company. The Trustee may use any moneys in the Bond Fund to redeem a part of the Bonds Outstanding in accordance with and to the extent permitted by **Article III** hereof so long as the Company is not in default with respect to any payments under the Lease and to the extent said moneys are in excess of the amount required for payment of Bonds theretofore matured or called for redemption and past due interest, if any, in all cases when such Bonds have not been presented for payment.

(d) After payment in full of the principal of and interest, if any, on the Bonds (or provision has been made for the payment thereof as provided in this Indenture), and the fees, charges and expenses of the Trustee, the City and any Paying Agent and any other amounts required to be paid under this Indenture, the Lease, the Deed of Trust and the Economic Development Agreement, all amounts remaining in the Bond Fund shall be paid to the Company upon the expiration or sooner termination of the Lease.

Section 605. Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the City to the owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. If any Bond shall not be presented for payment within one year following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall without liability for interest thereon repay to the Company the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Company, and the owner thereof shall be entitled to look only to the Company for payment, and then only to the extent of the amount so repaid, and the Company shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

The City will cooperate in causing this Indenture and all Supplemental Indentures, the Lease and all Supplemental Leases, the Deed of Trust and any supplement to the Deed of Trust and all other security instruments to be recorded and filed in such manner and in such places as may be required by law in order to fully preserve and protect the security of the Bondowners and the rights of the Trustee hereunder.

Section 809. Inspection of Project Books. The City covenants and agrees that all books and documents in its possession relating to the Project and the rents, revenues and receipts derived from the Project shall at all times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate.

Section 810. Enforcement of Rights Under the Lease. The City covenants and agrees that it shall enforce all of its rights and all of the obligations of the Company (at the expense of the Company) under the Lease to the extent necessary to preserve the Project in good repair and reasonably safe operating condition, and to protect the rights of the Trustee and the Bondowners hereunder with respect to the pledge and assignment of the rents, revenues and receipts coming due under the Lease; provided that, the City and the Trustee, as its assignee, shall refrain from enforcing any such right or obligation (except for the rights of the City or the Trustee to receive payments owing to either of them for their own account under the Indenture, the Lease, the Deed of Trust, the Economic Development Agreement or any other agreement related to the Bonds or for their rights of indemnification or to be protected from liabilities by insurance policies required by the Lease) if so directed in writing by 100% of the Bondowners. The City agrees that the Trustee, as assignee of the rentals and other amounts to be received by the City and paid by the Company under the Lease, or in its name or in the name of the City, may enforce all rights of the City to receive such rentals and other amounts and all obligations of the Company to pay such rentals and other amounts under and pursuant to the Lease for and on behalf of the Bondowners, whether or not the City is in default hereunder. So long as not otherwise provided in this Indenture, the Company shall be permitted to possess, use and enjoy the Project and appurtenances so as to carry out its obligations under the Lease.

ARTICLE IX

DEFAULT AND REMEDIES

Section 901. Events of Default; Notice; Opportunity to Cure. If any of the following events occur, it is hereby defined to be and to constitute an "Event of Default":

- (a) Default in the due and punctual payment of the principal on any Bond, whether at the stated maturity or accelerated maturity thereof, or at the date fixed for redemption thereof;
- (b) Default in the due and punctual payment of the interest on any Bond, whether at the stated maturity or accelerated maturity thereof, or at the date fixed for redemption thereof;
- (c) Default as specified in **Section 12.1** of the Lease shall have occurred.

Anything herein to the contrary notwithstanding, no default specified above shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to the Company by the City, the Trustee or the holders of 25% in aggregate principal amount of all Bonds Outstanding and the Company shall not have corrected said default or caused said default to be waived or corrected within 30 days after receiving written notice of the default; provided, however, if any such default (other than a default in the payment of any money) cannot be corrected within such 30-day period, it shall not constitute an Event of Default if corrective action is instituted by the Company within such period and diligently pursued until the default is corrected or waived, as the case may be.

Section 902. Acceleration of Maturity in Event of Default. If an Event of Default shall have occurred and be continuing, the Trustee may, and upon the written request of the holders of not less than 25% in aggregate principal amount of Bonds then Outstanding, shall, by notice in writing delivered to the City and the Company, declare the principal of all Bonds then Outstanding and the interest accrued thereon

immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable.

Section 903. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. Subject to applicable law and regulation, if an Event of Default shall have occurred and be continuing, the City, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the City pertaining thereto, and including the rights and the position of the City under the Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements; the Trustee may lease the Project or any part thereof, in the name and for account of the City, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including (a) reasonable fees and expenses of the Trustee and its agents and counsel, (b) any taxes, assessments and other charges prior to the lien of this Indenture, (c) all expenses of such repairs and improvements, and (d) any amounts accrued and payable under the Economic Development Agreement. The Trustee shall apply the remainder of the moneys so received in accordance with the provisions of **Section 908** hereof. Whenever all that is due upon the Bonds shall have been paid and all defaults made good, the Trustee shall surrender possession of the Trust Estate to the City, its successors or assigns, the same right of entry, however, to exist upon any subsequent Event of Default. While in possession of such property, the Trustee shall render annually to the City and the Company a summarized statement of receipts and expenditures in connection therewith.

Section 904. Appointment of Receivers in Event of Default. If an Event of Default shall have occurred and be continuing, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondowners under this Indenture, the Trustee shall (subject to applicable law) be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate or any part thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 905. Exercise of Remedies by the Trustee.

(a) Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds then Outstanding, and to enforce and compel the performance of the duties and obligations of the City as herein set forth.

(b) If an Event of Default shall have occurred and be continuing, and if requested to do so by (1) the City (in the case of an Event of Default arising out of Section 12.1(c), (d) or (e) of the Lease), or (2) the holders of 25% in aggregate principal amount of Bonds then Outstanding and indemnified as provided in subsection (l) of **Section 1001** hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient and in the interests of the City or the Bondowners, as the case may be.

(c) Subject to applicable law, all rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Bondowner, and any recovery of judgment shall, subject to the provisions of **Section 908** hereof, be for the equal benefit of all Bondowners.

Section 906. Limitation on Exercise of Remedies by Bondowners. No Bondowner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in subsection (h) of **Section 1001** or of which by said subsection the Trustee is deemed to have notice, (b) such default shall have become an Event of Default, (c) the holders of 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee, shall have offered it reasonable opportunity either to proceed and to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and shall have offered to the Trustee indemnity as provided in subsection (l) of **Section 1001**, and (d) the Trustee shall thereafter fail or refuse to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; such notification, request and offer of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder it being understood and intended that no one or more Bondowner shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondowner to payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation of the City to pay the principal of and interest on each of the Bonds issued hereunder to the respective Bondowners at the time, place, from the source and in the manner herein and in the Bonds expressed.

Section 907. Right of Bondowners to Direct Proceedings.

(a) Anything in this Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, including **Section 1001(l)** hereof.

(b) Notwithstanding any provision in this Indenture to the contrary, the Bondowners shall not have the right to control or direct any remedies hereunder in the Event of Default pursuant to **Section 12.1(c)**, (d) or (e) of the Lease.

Section 908. Application of Moneys in Event of Default.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of any obligations outstanding under the Economic Development Agreement, of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including any attorneys fees and expenses) or amounts to be paid pursuant to **Section 903** hereof, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied as follows:

(1) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST -- To the payment to the Persons entitled thereto of all installments of interest, if any, then due and payable on the Bonds, in the order in which such installments of interest became due and payable, and, if the amount available shall not be sufficient to pay in full any particular

installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

SECOND -- To the payment to the Persons entitled thereof of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment, ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

(2) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest, if any, then due and unpaid on all of the Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Person entitled thereto, without any discrimination or privilege.

(3) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of **Section 910**, then, subject to the provisions of subsection (2) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (1) of this Section.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue.

(c) Whenever all of the Bonds and interest thereon, if any, have been paid under the provisions of this Section, and all fees, expenses and charges of the City and the Trustee and any other amounts required to be paid under this Indenture, the Deed of Trust, the Economic Development Agreement and the Lease have been paid (including any amounts payable under the Economic Development Agreement), any balance remaining in the Bond Fund shall be paid to the Company as provided in **Section 606** hereof.

Section 909. Remedies Cumulative. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee, the City or to the Bondowners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the City or to the Bondowners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the City, the Company, the Trustee and the Bondowners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.
