Case No. TD-2000-674

APPLICATION FOR APPROVAL OF
ADOPTION OF AN INTERCONNECTION AGREEMENT

Comes now ALLTEL Communications, Inc. ("ACI"), and in support of its Application for Approval of Adoption of an Interconnection Agreement under the Federal Telecommunications Act of 1996 ("Federal Act") states as follows:

INTERCONNECTION AGREEMENT ADOPTED

1. ACI is a competitive telecommunications company which was granted a certificate of service authority to provide basic local telecommunications services in the State of Missouri in Case No. TA-99-298. ACI presents to the Missouri Public Service Commission ("Commission") for approval ACI's adoption pursuant to Section 252(i) of the Federal Act of the interconnection agreement between Broadspan Communications, Inc. d/b/a Primary Networks Communications ("Broadspan") and Southwestern Bell Telephone Company ("SWBT").

2. Section 252(i) of the Federal Act authorizes telecommunications carriers to adopt the interconnection agreement of another carrier "upon the same terms and conditions" as those provided in the agreement.

A

3. The Broadspan-SWBT interconnection agreement was approved by the Missouri Public Service Commission on August 12, 1998, in Case No. TO-98-518.

4. The executed interconnection agreement adopted by ACI pursuant to Section 252(i) of the Federal Act is attached hereto and incorporated by reference as Exhibit B. The only changes made to the Broadspan-SWBT interconnection agreement as adopted by ACI are the following ministerial conforming changes:

- (1) ACI is substituted for Broadspan;
- (2) ACI's contact person for receiving notice is substituted for Broadspan's contact person;
- (3) ACI's contact for 911 issues is substituted for Broadspan's contact person in Appendix 911.
- (4) ACI's contact for tape transmissions is substituted for Broadspan's contact person in Attachment 4: Connectivity Billing - Resale.

REQUEST FOR APPROVAL

5. Section 252(i) of the 1996 Act provides companies like ACI the ability to adopt another telecommunications carrier's interconnection agreement. Section 252(i) does not specify a timeframe in which the Commission must act to approve a previously approved interconnection agreement. As this is a previously approved interconnection agreement, ACI respectfully requests that the Commission grant expeditious approval of the agreement. Pursuant to 4 CSR 240-2.080(27), ACI is filing on this same date a motion for expedited treatment and requesting that the Commission approve the interconnection agreement between ACI and SWBT on or before May 19, 2000.

6. ACI believes that implementation of this previously approved interconnection agreement complies fully with Section 252(e) of the Federal Act because the adopted agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carriers. This agreement promotes diversity in providers, provides interconnectivity, and increases customer choice for telecommunications providers. In support of this Application, the affidavit of Suzanne McCormick is attached hereto as Exhibit A.

CONCLUSION

WHEREFORE ALLTEL Communications, Inc. respectfully requests that the Commission approve the Interconnection Agreement between SWBT and ACI.

Respectfully submitted,
