Re: Case No. GO-2006-0377

Dear Secretary:

Enclosed herewith for filing with the Missouri Public Service Commission is P.S.C. MO. No. 5 Consolidated, Sixth Revised Sheet No. 12 which is applicable to both divisions of Laclede Gas Company ("Company"), excluding the service territory formerly served by Fidelity Natural Gas, Inc.

This revised tariff sheet, which has an issue date of June 1, 2006 and an effective date of July 2, 2006, reflects the infrastructure system replacement surcharges recommended by the Staff of the Commission in its May 19, 2006 Memorandum in lieu of the surcharges proposed by the Company in its March 31, 2006 filing. Such sheet is also being filed contemporaneously with the Company's *MOTION FOR APPROVAL OF TARIFF AND MOTION FOR EXPEDITED TREATMENT*.

Sheet No. 12 adjusts the infrastructure system replacement surcharges in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri and paragraph 16 of the Stipulation and Agreement in Case No. GR-2005-0284. As reflected herein, the increase in the ISRS would increase the typical residential heating customer's bill by 22 cents per month, or approximately two-tenths of 1%.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

Kenneth J. Neises
