

**BEFORE THE PUBLIC SERVICE COMMISSION  
STATE OF MISSOURI**

In the Matter of Staff's Notice of Compliance     )  
Tariff Filings Related to 4 CSR 240-20.065     )     **File No. EO-2013-0124**

**RESPONSE TO ORDER DIRECTING FILING**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and hereby submits this Response to Order Directing Filing, stating as follows:

1)     On October 2, 2012, Staff filed a *Notice* before the Missouri Public Service Commission (Commission) informing the Commission that, as of October 1, 2012, Kansas City Power & Light Company (KCPL) and KCP&L Greater Missouri Operations Company (GMO) had not filed compliance tariffs reflecting requirements of the newly revised net metering rules, 4 CSR 240-20.065, which were effective August 30, 2012.

2)     On October 9, 2012, the Commission issued an *Order Directing Filing*, noting KCPL and GMO filed a motion on October 3, 2012, requesting a variance from the Commission's rules to allow them until December 1, 2012, to file the required revisions to their net metering tariffs. The Commission ordered Staff to file a pleading indicating whether KCPL and GMO's filing satisfies Staff's concerns.

3)     Although Staff notes that KCPL and GMO had ample notice of the need for compliance tariffs, as well as a courtesy reminder in September 2012 that they had failed to timely file compliance tariffs, for the purposes of this docket, Staff's concerns are satisfied.

**WHEREFORE** the Staff of the Missouri Public Service Commission submits this *Response* and requests this docket be closed if the Commission deems such action appropriate.
