**COMPLAINT**

**COMES NOW**, the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and initiates this Complaint pursuant to Section 386.390 RSMo (2000)<sup>1</sup> and Rule 4 CSR 240-2.070, against Communicate Technological Systems, L.L.C. (“Communicate” or “the Company”) for violation of Section 392.210.1 and Rule 4 CSR 240-3.540(1) relating to the filing of annual reports. In support of its Complaint, Staff respectfully states as follows:

1. Communicate Technological Systems, L.L.C. is a “telecommunications company” and “public utility” as defined in Section 386.020 and is subject to the jurisdiction of the Missouri Public Service Commission (“the Commission”) pursuant to Section 386.250.

2. The Company is incorporated under the laws of the State of Delaware and is listed as an active limited liability corporation by the Missouri Secretary of State.

3. As of the date of the filing of this Complaint, the Company’s registered agent according to the Missouri Secretary of State is:

CT Corporation System  
120 South Central Avenue

---

<sup>1</sup> All references to statutory sections refer to the Revised Statutes of Missouri (2000), as currently supplemented.

Clayton, MO 63105

4. The Company has provided the following contact information to the Commission:

Communicate Technological Systems, LLC  
2646 South Loop West, Suite 660  
Houston, TX 77054

5. In an Order<sup>2</sup> effective June 11, 1999, the Commission granted Communicate a certificate of service authority to provide intrastate interexchange telecommunications services in the State of Missouri.

6. Section 392.210.1 states that telecommunications companies must “file an annual report with the Commission at a time and covering the yearly period fixed by the commission.” Commission Rule 4 CSR 240-3.540(1) requires all telecommunications companies to file their annual reports on or before April 15 of each year.

7. The Company has failed to file annual reports for calendar years 2006, 2007 and 2008.

8. On January 19, 2007, January 15, 2008, and January 30, 2009, the Executive Director of the Commission e-mailed or mailed to Communicate a message notifying the Company of the requirement to file an annual report covering the calendar years 2006, 2007 and 2008, respectively. *See* Exhibit A. Enclosed with each letter the Executive Director sent the appropriate form for the Company to complete and return to the Commission along with instructions on how the Company could complete its filing electronically. This correspondence was sent to the address that was current in the Commission’s Electronic Filing and Information System (“EFIS”). In addition to the correspondence sent in January for each year’s annual report, on April 19, 2007, May 27, 2008, October 14, 2008, and May 4, 2009, respectively, the

<sup>2</sup> See *Order Approving Interexchange Certificate of Service Authority and Order Approving Tariff*, effective June 11, 1999, in Commission Case No. TA-99-537.

General Counsel of the Commission mailed Communicate a letter notifying the Company that the Commission had not yet received its annual report for the appropriate year and would be subject to legal action under state law for failure to submit an annual report on time. *See Exhibit B.*

9. Section 386.390.1 authorizes the Commission to entertain a complaint “setting forth any act or thing done or omitted to be done by any...public utility, in violation, or claimed to be in violation, of any provision of law, or of any rule, order or decision of the Commission.”

10. Commission Rule 4 CSR 240-2.070(1) provides that the Commission’s Staff, through the General Counsel, may file a complaint.

11. Section 392.210.1 provides that “[i]f any telecommunications company shall fail to make and file its annual report as and when required or within such extended time as the commission may allow. . . such company shall forfeit to the state the sum of one hundred dollars for each and every day it shall continue to be in default with respect to such report....”

12. If the Commission determines after a contested hearing that the Company failed, omitted, or neglected to file its annual report, the Commission may then authorize its General Counsel to bring a penalty action in the circuit court as provided for in Section 386.600.

#### **PRAYER FOR RELIEF**

**WHEREFORE**, Staff now requests that the Commission find that Communicate Technological Systems, L.L.C., failed, omitted, or neglected to file its 2006, 2007 and 2008 annual reports as required by Missouri statute; and authorize its General Counsel to bring a penalty action against the Company in the circuit court as provided in Section 386.600 for the statutory penalties set forth in Sections 392.210.1.

Respectfully submitted,

**RE: Calendar Year 2006 Annual Report**

**IMPORTANT NOTICE TO  
ALL MISSOURI PUBLIC UTILITIES**

Pursuant to Section 392.210, RSMo., Section 393.140, RSMo., and the rules at 4 CSR 240-3.540 (Telecommunications Companies), public utilities are required to submit an annual report to the Missouri Public Service Commission.

**Please Note:**

- ✓ Due on or before **April 15, 2007**
- ✓ The form(s) submitted to the Commission must be originals in loose-leaf format (in lieu of a hard copy, an electronic version may be submitted in the Commission's Electronic Filing and Information System, EFIS).
- ✓ Attempts to substitute forms such as stockholder reports without concurrently filing official Commission forms with appropriate cross-references will be considered non-compliant.
- ✓ Complete each question fully and accurately, even if it has been answered in a previous annual report. Enter the word "None", "0" or "N/A" where it truly and completely states the fact. An unanswered question will result in a deficiency notice requiring an additional response.
- ✓ Each utility must submit a report even if it had **NO** revenues during the reporting year.

**Reports that do not meet these requirements will not be considered "submitted." Utilities will be subject to legal action under state law for failure to submit annual reports on time without a timely extension request. A utility that does not timely file its annual report, or its response to a notice that its annual report is deficient when a response is sought, is subject to a penalty of one hundred dollars for each day that it is late in filing its annual report or response to a notice of deficiency.**

**Requests to submit annual report data under seal:**

Utilities may request classification of selected portions of their annual report as non-public. Please note that all information classified as non-public will still remain subject to potential disclosure as provided under the Missouri open records act (Chapter 610 RSMo) and Section 386.480, RSMo.

In order to take advantage of this procedure, the submitter, either through EFIS or in hard copy form, must:

- A. Provide both a fully completed version to be kept under seal and a redacted public version that clearly informs the reader that the redacted information has been submitted under seal. The cover of each version must clearly identify whether it is the public or the non-public version. Each page of each version of the report containing non-public information should be clearly identified as containing such information.
- B. Submit both versions of the annual report with a cover letter stating that the utility is designating some or all of the information in its annual report as confidential information, including the name, phone number and e-mail address (if available) of the person responsible for addressing questions regarding the confidential portions of the annual report.
- C. Prominently attach a detailed affidavit to both versions that identifies the specific types of information to be kept under seal, provides a reason why the specific information should be a closed record, and stating that none of the requested information is available to the public in any format.

**Requests for extension to submit annual report:**

Utilities may request an extension of less than 30 days by 1) submitting a written notification prior to April 15<sup>th</sup> to the Manager of the Data Center (the EFIS option for this is located under "Filing/Submission - Non-case Related Submission - MO PSC Annual Report Extension Request") that states the reason for the extension, and 2) certifying that a copy of the written request was sent to all parties of record in pending cases where the Company's activities are the primary focus (i.e., where the Company is identified as a moving party in the case caption) of the proceeding.

All requests for an extension of 30 days or more must be filed prior to April 15th as a legal pleading. If the Company is a corporation or partnership, the pleading must be filed by an attorney licensed to practice in Missouri. If the utility is individually-owned, the Company owner may file this pleading. The pleading must state the reason for the extension and certify that a copy of the written request was sent to all parties of record in pending cases where the Company's activities are the primary focus of the proceeding (i.e., where the Company is identified as a moving party in the case caption). The filing should be submitted in pleading form and comply with the filing requirements of Chapter 2 of 4 CSR 240.

Questions about the annual report form or its content may be submitted to:  
Joan Wandel (573) 751-4785 or by email at [Joan.Wandel@psc.mo.gov](mailto:Joan.Wandel@psc.mo.gov)

The completed document should be submitted under EFIS (accessible from the Commission's Web page <http://www.psc.mo.gov/>) or mailed to:

Dear Mark Hendy:

Pursuant to Section 392.210, RSMo Section 393.140, RSMo and the rules at 4 CSR 240-3.165 (Electric Utilities), 4 CSR 240-3.245 (Gas Utilities), 4 CSR 240-3.335 (Sewer Utilities), 4 CSR 240-3.435 (Steam Heating Utilities), 4 CSR 240-3.540 (Telecommunications Companies), and 4 CSR 240-3.640 (Water Utilities), public utilities are required to submit an annual report to the Missouri Public Service Commission on or before April 15th.

**This letter is a notification that the Missouri Public Service Commission has not received from your company its required 2007 Annual Report as of the date of this letter.**

Since your company has not filed its report on or before April 15th, it is subject to legal action under state law for failure to submit an annual report on time. A utility that does not file its annual report in a timely manner is subject to a penalty of one hundred dollars and an additional penalty of one hundred dollars for each day that it is late in filing its annual report. If this has been an oversight, filing of the required annual report no later than **June 13, 2008** will prevent assessment of the applicable penalty.

The completed annual report document should be submitted to the Public Service Commission either through the Electronic Filing and Information System (EFIS), which may be accessed from the Commission's web page (<http://www.psc.mo.gov/>), or by mail to the following address:

Data Center  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
P.O. Box 360  
Jefferson City, MO 65102-0360
