SUPPLEMENT TO APPLICATION TO INTERVENE OF
PITTSBURGH CORNING CORPORATION

COMES NOW Pittsburgh Corning Corporation, ("Pittsburgh Corning"), and supplements its earlier Application to Intervene as follows:

1. In its earlier Application to Intervene, Pittsburgh Corning stated that it was duly licensed and authorized to do business in Missouri.

2. On Monday, August 28, 2005, Staff counsel advised counsel for PC that it appeared that PC's authorization to do business in Missouri had been revoked.

3. Upon verification, it appeared that an annual report had not been timely filed resulting in the revocation. PC set out to remedy this situation.

4. On November 30, 2005, the proper information was submitted and the revocation rescinded by the Missouri Secretary of State as evidenced by the attached Certificate which is submitted as proof of corporate good standing.

5. We appreciate Staff counsel apprising us of this situation so that it could be promptly remedied.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
