**ORDER APPROVING TARIFF**

By order issued on April 12, 1999, the Commission granted to The Pager Company (PagerCo), a certificate of service authority to provide basic local telecommunications services in Missouri. PagerCo filed a Basic Local Exchange Service Tariff on July 2, with an effective date of August 16. On several occasions, PagerCo requested that the effective date of the tariff be extended. The requested effective date is now September 30. PagerCo filed substitute tariff sheets at Staff's request on September 8 and 17.

The Commission's Staff reviewed the tariff sheets and filed a memorandum on September 20, recommending that the Commission approve them as amended by the substitute sheets. On September 21, PagerCo filed additional revised tariff sheets to change the listing of the proposed Recurring Charges for Prepaid Monthly service from \$34.00 to \$35.00. Staff filed a supplemental memorandum on September 23, indicating that Staff does not object to PagerCo's latest modification of the tariff. Staff recommended that the tariff be approved, as amended, to become effective on September 30.

The Commission has reviewed the tariff sheets and Staff's recommendation and finds that the tariff sheets, as amended, conform to the Commission's Order of April 12 and should be approved to become effective on September 30.

**IT IS THEREFORE ORDERED:**

1. That the tariff filed by The Pager Company, on July 2, 1999, and assigned tariff number 200000018, is approved as amended to become effective on September 30, 1999. The tariff approved is:
