BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of the Application of Teligent,)
Inc., for a Certificate of Service Authority to) Case No. TA-98-258
Provide Competitive Basic Local Exchange Services)
and Local Exchange Telecommunications Service.)

ORDER GRANTING INTERVENTION AND DIRECTING FILING
OF PROCEDURAL SCHEDULE

Teligent, Inc. (Teligent) filed an application on December 23, 1997, for a certificate of service authority to provide basic local and local exchange telecommunications service in the State of Missouri under 4 CSR 240-2.060(4). Specifically, Teligent wishes to provide resold and facilities-based services in exchanges currently served by Southwestern Bell Telephone Company (SWBT), GTE Midwest Incorporated (GTE), and Sprint Missouri, Inc. (Sprint) f/k/a United Telephone Company of Missouri d/b/a Sprint. The Commission issued an order and notice, directing interested parties to file applications to intervene no later than March 4, 1998.

SWBT filed a timely application to intervene. SWBT states that it has a direct interest in the Commission's decision in this case because it provides basic local exchange services and will be in direct competition with this company if the certificate is granted. SWBT argues that no other party will adequately protect its interests in this matter and that its intervention would be in the public interest because of SWBT's expertise and experience in the telecommunications industry.

The Commission has reviewed the application and finds that it is in substantial compliance with Commission rules regarding intervention and

that the applicant has an interest in this matter which is different from that of the general public. The Commission concludes that SWBT's request for intervention should be granted and that the parties should file a proposed procedural schedule. The procedural schedule must include either dates for the filing of testimony and for a hearing, or a date for the filing of a Stipulation and Agreement. If no party requests a hearing, the Commission may grant the service authority and competitive classification requested without a hearing. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989).

THEREFORE, IT IS ORDERED:

1. That Southwestern Bell Telephone Company is granted intervention in this case in accordance with 4 CSR 240-2.075(4).

2. That the parties shall file a proposed procedural schedule no later than April 13, 1998. The procedural schedule shall include either dates for the filing of testimony and for a hearing, or a date for the filing of a Stipulation and Agreement.

3. That this order shall be effective on March 12, 1998.
