The Commission's Staff reviewed the tariff sheets and filed a memorandum on September 24 recommending that the Commission approve them, as amended. Staff stated that Navigator proposes to offer basic local exchange service to customers in some of Southwestern Bell Telephone Company's exchanges including Caller I.D., Operator Service and Directory Assistance. Staff detailed Navigator's proposed rates and stated no objections to them. Staff indicated Navigator would resell Operator Services and include a directory listing. Staff stated that Navigator will provide 911/E911 service, interLATA and intraLATA equal access, and telephone relay services where required by the Commission. Staff recommended that the amended tariff be approved to become effective on October 5.

The Commission has reviewed the Staff's recommendation and the tariff sheets. The Commission finds that the tariff sheets conform to the Commission's June 25, 1998 order and should be approved as amended to become effective on October 5, 1998. The Commission concludes that the conditions stated in the June 25, 1998 order for Navigator's certificates of service authority to provide basic local and local exchange telecommunications service will be fulfilled at the time Missouri PSC Tariff No. 1 takes effect.

IT IS THEREFORE ORDERED:

1. That the tariff filed by Navigator Telecommunications, LLC on July 21, 1998, is approved, as amended, to become effective on October 5, 1998. The tariff approved is:

Missouri PSC Tariff No. 1
Original Title Page through Section 4 Original Page 1

2. That the certificate of service authority granted to Navigator Telecommunications, LLC on June 25, 1998, to provide basic local telecommunications services shall take effect on October 5, 1998.

3. That this order shall become effective on October 5, 1998.

4. That this case shall close on October 16, 1998.
