Missouri service area of the Company. )

**ORDER APPROVING INTERIM BOWLING GREEN DISTRICT RATES**

United Cities Gas Company (United) of Brentwood, Tennessee, submitted a tariff sheet to the Commission on April 29, 1998 carrying an effective date of June 1, 1998. The tariff sheet is designed to change Purchased Gas Adjustment (PGA) factors for its Bowling Green District due to an increase in the spot market gas cost. The effect of this change will increase United's annualized revenues by approximately \$36,800. The impact on a typical residential space heating customer using 36 Ccf of natural gas in the month of June will be an increase of \$0.79, or 3.1%.

The Missouri Public Service Commission Staff (Staff) filed a memorandum stating that the change in United's PGA was calculated in conformance with its approved PGA Clause and recommends that the Commission approve the tariff sheet to become effective on June 1, 1998. Staff recommended that the tariff sheet submitted in this filing be approved, interim subject to refund, pending final Commission decisions in Case Nos. GR-96-197, GR-97-259 and GR-98-274.

The Commission has reviewed the tariff sheet and Staff's recommendation, and finds that the tariff sheet conforms to the Company's Commission approved PGA Clause and is therefore reasonable. After considering Staff's recommendation, the Commission finds that the proposed tariff sheet should be allowed to become effective on and after the requested effective date, June 1, 1998, interim subject to refund.

IT IS THEREFORE ORDERED:

1. That the tariff sheet submitted on April 29, 1998, by United Cities Gas Company of Brentwood, Tennessee, for the purpose of reflecting changes in rates for natural gas in its Bowling Green District, be, and it is, hereby approved to become effective on and after June 1, 1998, interim subject to refund. The tariff sheet approved is:

P.S.C. MO. No. 3

68th Revised Sheet No. 47 Cancelling 67th Revised Sheet No. 47

2. That this order shall become effective on June 1, 1998.
